Should an employee be required to work during their lunch break the employee will be compensated at the employee's appropriate rate of pay for that time and will be permitted to eat their meal during the same shift.

Section 6.2.

All employees working more than eight (8) hours per day, or all hours worked in excess of forty (40) hours per week, shall be compensated at the rate of one and one-half (1½) times the employee's base hourly rate after eight (8) hours have been reached. Section 6.3.1. Flex Time.

Employees who work hours in excess of their normally scheduled day not exceeding forty (40) hours in a work week may request to receive flex time in lieu of payment as long as the flex time is taken within two (2) weeks of the additional hours are worked. Flex time shall be computed at the rate of one (1) hour's flex time for each one (1) hour worked. All flex

time must be pre-approved by the immediate supervisor except in emergency situations where the supervisor cannot be reached. No employee shall be compelled to take flex time in lieu of compensation.

Section 6.4. Transportation Shifts.

Shifts shall be established for Transportation personnel in relation to routes and driving times necessary to fulfill tasks assigned by the Transportation Supervisor, except that all bus driver personnel shall receive in addition to actual hours of driving time one-half (½) hour per day or two and one-half (2½) hours per week for the purpose of bus cleanup, bus washing, and inspection.

Section 6.5. Bus Route Supervision.

Transportation for students with IEPs that indicate a need for additional assistance on a bus shall be accompanied by a minimum of one (1) Bus Paraeducator.

The District shall assign a Transportation employee who shall assist drivers with implementing the District behavior system throughout the school year. This employee will ride buses when determined by need and/or driver request. This employee will train students about appropriate bus behavior and safety and shall be responsible for following up on tickets that drivers have filed.

Section 6.6. Extra Trips.

Recognizing that extra bus trips present special problems in scheduling and financing, it is agreed that extra bus trips shall be offered on a volunteer basis, first to regular drivers and rotated in a fair and equal manner by the Transportation Supervisor, providing the trip does not conflict with a regular assigned bus route or regular assigned work schedule in the buildings. If no regular driver is available, the District reserves the right to offer the bus trip to other qualified personnel. All extra trips shall be compensated at the extra trip rate on Schedule A per portal to portal. Notices of extra trips will be posted within a reasonable time prior to the bus trip provided that emergency cases may be posted immediately.

Section 6.6.1. Overnight Trips.

12 District will make every effort to notify each employee to refrain from coming to work. Notification
13 shall at a minimum be made by radio and/or television broadcast, or robo-call. Employees reporting to
14 work shall receive a minimum of two (2) hours pay at their regular rate in the event of such closure;
15 provided, however, no employee shall be entitled to any such compensation in the event of actual
16 notification by the District of the closure prior to leaving home for work. If an employee does report to
17 work under this circumstance, they will be expected to stay for the two (2)-hour minimum and then
18 make up the remainder of their shift at a later date. If the employee chooses not to stay for the two (2)-
19 hour minimum, they will need to make up their entire shift.
20

21 If school is closed due to inclement weather, the classification or job titles of Maintenance, Mechanics,
22 Custodians, and Grounds must report to work. If, however, an employee feels they cannot safely travel
23 to work due to conditions where they live, the time will be charged to personal leave, vacation or it will

29 personal or vacation days, or not make-up the time and take a pay deduct.
30

31 Employees may choose one (1) or any combination of the following to account for work hours
32 missed due to closure or delay:
33

- 34 1. Work additional hours as approved by the supervisor.
- 35 2. Utilize existing emergency leave to make up all or a portion of the time missed.

38

39 **Section 6.9.2. Reporting Deadline.**

40 Employees will need to account for closure or delay hours within one (1) full pay period with
41 the explanation "School Closure Make-Up Time". In the event that an employee fails to submit
42 a request personal leave or emergency leave for make-up time by June 1 and fails to make up
43 time owed or to inform their direct supervisor in writing that the employee wished to utilize
44 leave for make-up time, the District may deduct the time still owed from said employee's pay.

46
47
48

1 **Section 6.9.3. Remote Work.**

2 When the District determines that remote work is appropriate for the District, employees whose

5 work.
6

7 **Section 6.10. Early Release.**

8 Early release days are defined as those days, which are scheduled to be equal to or less than one-half (1/2)
9 a regular school day, such as report card preparation, conferences, the day before a holiday, and the last

25 The District has a duty to provide required training and appropriate training opportunities for all
26 employees. The District will provide all employees with the opportunity for at least twelve (12) hours
27 of training annually, which may be provided in lieu of an employee's regular work assignment, as
28 additional hours or a combination of both, at the District's discretion.
29

30 **Section 6.12. Paraeducators with Substitute Teaching Certificate.**

31 Paraeducators shall not be required to fill in or replace certificated employees, unless the paraeducator

42 Paraeducators who are assigned to supervisory duties will be at a ratio of approximately ninety (90)
43 students per paraeducator. Specific situations where paraeducators are responsible for supervision of
44 students are impacted by several factors, including size of area, number of students, topography,
45 location in relationship to the office, etc. In the event that there is a concern about paraeducators
46 supervising more than a reasonable number of students, the Union and the District will address the
47 issue in a Labor Management meeting to discuss possible solutions.
48

Employees performing these duties will have access to a radio to communicate with the school office and SRO or other security personnel, as well as safety vests and any other safety gear necessary.

8 shall submit in writing to the employee and the Association President its reasons why the senior
9 employee has been bypassed.

10
11 **Section 10.8.**

12 Employees who change job classifications within the bargaining unit shall retain their hire dates in the

32 by an external applicant, the position will be posted that next fall and all paraeducators are
33 eligible to apply. Time spent and experience gained in the position by an external applicant
34 shall not be a basis for a seniority bypass. This provision does not prevent paraeducators from
35 applying for additional hours that do not conflict with their present assignment during the
36 school year.

37
38 **Section 10.10.**

39 In the event of layoff, employees so affected are to be placed on a reemployment list maintained by the

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING SETS FORTH THE FOLLOWING AGREEMENT BETWEEN PUBLIC SCHOOL EMPLOYEES OF WASHINGTON / SEIU LOCAL 1948, HIGHLAND CHAPTER AND THE HIGHLAND SCHOOL DISTRICT #203 PURSUANT TO ARTICLE XX, SECTION 20.3 OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

The Highland School District has adopted the VEBA III Leave Cash-out Health Reimbursement Plan (the "Plan"). The District also agrees to contribute to the Plan on behalf of all employees in the bargaining unit who are eligible to participate in the Plan. Contributions on behalf of each eligible employee shall be based on the cash-out value of leave days or hours accrued by such employee available for contribution in accordance with statute and District policy or procedure. The District agrees to contribute to the Plan on behalf of all employees in the Highland PSE defined as eligible to participate in the Plan, in accordance with Plan and regulatory limitations. The Plan must receive an enrollment file for each eligible employee to become a participant and become eligible for benefits under the Plan. For sick leave cash-outs, it is understood that all eligible employees will be required to sign and submit to the District a hold harmless agreement complying with RCW 28A.400.210. If an eligible employee fails to sign and submit such agreement to the District, the District will not make sick leave cash-out contributions to the Plan at any time during the term of this Agreement, and any and all excess sick leave which, in the absence of this agreement, would accrue to such employee during the term hereof shall be forfeited together with all cash rights that pertain to such excess sick leave.

The following selected contribution options shall be available during the term of this Agreement:
[X] indicates Highland PSE voted only these three (3) options.

[X] Sick Leave Contributions – Annual: Eligibility for contributions on an annual basis is limited to employees who have accumulated one hundred eighty (180) days of unused sick leave. To be eligible during the term of the Plan, an employee must have earned at least one hundred eighty (180) days of unused sick leave as of the effective date of this Agreement, not including any front-loaded days.

[X] Sick Leave Contributions – Retirement or Separation from Service: Eligibility for contributions at retirement or separation from service is limited to employees who retire or separate from service with sick leave cash-out rights during the term hereof shall be eligible, and excess sick leave shall be defined as the sick leave days accruing to the credit of such employee during the term of this Agreement.

[] Vacation Leave Contributions – Annual: Eligibility for contributions on an annual basis is limited to employees who have accumulated ___ days of unused vacation leave. To be eligible during the term of this Agreement, an employee must have earned at least ___ days of unused vacation leave as of the effective date of this Agreement.

[] **Vacation Leave Contributions – Retirement or Separation from Service:** Eligibility for contributions at retirement or separation from service is limited to employees who retire or separate from service with vacation leave cash-out rights during the term of this Agreement.

[X] **Mandatory Employee Contributions:** The District and the Group agree that the Group's compensation package will be changed such that eligible employees shall receive additional benefits in the form of VEBA Plan contributions equal to ten dollars (\$10.00) which shall be contributed on a monthly basis, and each eligible employee's salary shall be reduced by an equal amount. Such contributions shall be made on behalf of all group employees defined as eligible and shall be considered and referred to as employer contributions.

This Memorandum of Understanding shall in effect beginning August 31, 2024, shall remain in effect until August 31, 2025, and shall be attached to the current Collective Bargaining Agreement.
