5. It is the intent and purpose of the parties hereto to promote and improve the efficient administration of the District and the well-being of employees within the spirit of the Public Employees Collective Bargaining Act, to establish a basic understanding relative to personnel policies, practices and procedures, and to provide means for amicable discussion and adjustment of matters of mutual interest.

6 **Section 10.11.2. Leave Reasons.**

- 8 1. For incapacity due to pregnancy, pre-natal medical care, or childbirth.
 - 9 2. To care for the employee's child after birth, or placement for adoption or foster care.
 - 10 3. To care for the employee's spouse, son/daughter, or parent, who has a serious health
11 condition.
 - 12 4. For a serious health condition that makes the employee unable to perform the employee's job.
- 13

14 **Additional Reason – Military Family Leave Entitlements.**

15 Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty
16 status in the National Guard or Reserves in support of a contingency operation may use their
17 twelve (12) week leave entitlement to address certain qualifying exigencies. Qualifying
18 exigencies may include attending certain military events, arranging for alternative childcare,
19 addressing certain financial and legal arrangements, attending certain counseling sessions, and
20 attending post-deployment reintegration briefings.
21

22 FMLA also includes a special leave entitlement that permits eligible employees to take up to twenty-
23 six (26) weeks of leave to care for a covered service member during a single twelve (12) month
24 period. A covered service member is a current member of the Armed Forces, including a member of
25 the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on
26 active duty that may render the service member medically unfit to perform his or her duties for which
27 the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient
28 status; or is on the temporary disability retired list.
29

30 **Section 10.11.3. Conditions.**

- 31 1. Employees are eligible to receive a total of twelve (12) weeks of leave per year for family
32 and/or medical leave. The District shall grant, at the employee's request, the use of accrued
33 sick leave, personal days or vacation time prior to placing the employee on unpaid leave.
 - 34 2. The District reserves the right to require the employee to take leave in a block when being used
35 for birth, adoption, or placement of a foster child. The entitlement to this leave ends twelve (12)
36 months following the birth, adoption, or placement.
 - 37 3. Medical leave may be taken intermittently based upon the health care provider's
38 recommendation and/or the ability of the employee to perform the duties of the job.
 - 39 4. The District may request that the employee on intermittent leave assume an alternate position if
40 the employee is qualified, the position has equal pay and benefits, and the alternate position
41 better accommodates the leave.
 - 42 5. Employees who have been granted leave under this policy are guaranteed a return to their
43 former position or a position with equivalent benefits, pay, and terms of employment.
44 Reinstatement may be denied in the event of a reduction in force. The employee on leave will
45 be subject to the terms of the contractual agreement between the Association and the District.
 - 46 6. Vacation, sick, and personal leave will not accrue during the duration of the leave.
- 47

1 **Section 10.11.4. Employee Responsibilities.**

- 2 1. In the event of the birth, adoption, or foster placement, thirty (30) days prior notice will be
3 required when practical.
4 2. For medical care, the employee will give thirty (30) days prior notice, unless medical conditions
5 preclude this from happening. Further, if an employee is on a reduced schedule, he/she may be
6 asked to make all reasonable efforts to arrange treatment so as to not disrupt the normal
7 operation of the District.
8

9 **Section 10.11.5. Exclusions/Limitations.**

10 In the event that the District employs spouses, the total leave between both cannot exceed twelve
11 (12) weeks in any twelve (12) month period.
12

13 **Section 10.11.6. Certification of a Serious Health Condition.**

14 When an employee seeks medical leave to care for a family member or address his/her own health
15 needs, the District may require a signed statement from a health care provider to verify the need
16 for treatment, care or supervision for any absence which exceeds five (5) consecutive working
17 days.
18

19 The following certification may be required:

- 20 1. The date on which the condition commenced.
21 2. Probable duration of the condition.
22 3. Medical facts from the health care provider.
23 4. When the leave is to care for a family member, an estimate as to the amount of time
24 needed.
25 5. In the event the employee is not able to return to perform and fulfill his/her
26 responsibilities, medical verification will be required. The District reserves the right to
27 seek a second (2nd) or third (3rd) opinion, at Districts expense.
28

29 **Section 10.11.7. Health Care Benefits.**

30 The District will maintain employee health care benefits at its expense during the duration of the
31 leave. However, in the event that the employee does not return from leave for a reason other than
32 continuation or reoccurrence of a serious health condition, the onset of a new serious health care
33 condition, or circumstances beyond the control of the employee, the District may exercise its right to
34 recover premium costs.
35

36 **Section 10.12. Sick Leave Sharing.**

37 All voluntary leave sharing shall be in strict compliance with current RCW 41.04.665. Employees may

39 member suffering from an extraordinary or severe illness, injury, or physical or mental condition; a fellow
40 employee who is a victim of domestic violence, sexual assault, or stalking; or a fellow employee who has
41 been called to service in the uniformed services, which has caused or is likely to cause the employee to
42 take leave without pay or terminate his or her employment.
43

- 44 1. Employees may maintain up to forty (40) hours of applicable leave in reserve and still be eligible
45 for shared leave.
46 2. Employees shall have access to intermittent and nonconsecutive use of shared leave, so long as the
47 leave has not been returned under Section 10.8. #4.
48 3. Employees on leave shall continue to be classified as a state employee and shall receive the same
49 treatment in respect to salary, wages, and accrued annual leave or sick leave.

A staff member may not request leave to be transferred that would result in an accrued annual leave balance of fewer than ten (10) days.
2. A staff member who does not accrue annual leave but who has an accrued sick leave balance of more than twenty-two (22) days may request that the superintendent transfer a specified amount of sick leave to another staff member authorized to receive such leave, or to the district's sick leave pool.

In addition, the District will allow employees to opt to accept compensation from PFML in addition to a prorated amount to their accumulated sick leave or other paid leave banks in order to receive their full pay. In the event of layoff, employees so affected are to be placed on a re-employment list maintained by the District according to layoff ranking (last laid off, first to be considered). Such employees are to have priority over new applicants, with the exception of current employees as provided in Section 13.4., 13.5. and 13.7. in filling an opening in the classification held immediately prior to layoff. Manson School District Classified Employee Evaluation

The Manson School District Classified Employees Evaluation is based on the premise that all employees have a commitment and are responsible to continued improvement in their performance. The purpose of the evaluation is to improve employee's job performance, skill, and expertise through a systematic and constructive evaluation system. In addition, the evaluation is used for corrective actions and in making personnel decisions. The Classified Evaluation:

All classified employees are to be evaluated annually no later than the last day of May of the evaluating year and all evaluations must be sent to Human Resources no later than June 15.

The annual evaluation process is as follows:

1. At the beginning of the evaluation period, supervisor sends employee the Classified Employee Self-Assessment form and sets a Standards Overview meeting with employee.
2. Employee completes the Self-Assessment form and shares results at the Standards Overview meeting. This is also a time to discuss, agree on, and document goals for the evaluation period. Since it informs and gives input to the employee's evaluation, the **Self-Assessment form should not be sent to Human Resources** to be filed in the personnel file. You should maintain a copy for your records.
3. Throughout the evaluation period, supervisor checks in with employee, observes performance, assists where necessary.
4. Toward the end of the evaluation period, supervisor completes the Classified Employee Evaluation form and shares results at the Performance Evaluation meeting.
5. If employee supervision is shared with other supervisor(s), input from relevant supervisor(s) may be obtained.
6. During the Performance Evaluation meeting, supervisor and employee review overall performance and set goals for the next evaluation period.

The Performance Evaluation meeting can be as important as the information that goes into it. Careful preparation and scheduling may take a little time, but the results are worthwhile. Consider (not required) the following in conducting a Performance Evaluation meeting:

1. Pre-schedule a time to meet with the employee, giving the employee sufficient notice to prepare.
2. Be prepared. Review the employee's job description and review other resources related to the employee's job performance.
3. Give your full attention to the meeting. Ensure you are in a quiet place where you will not be interrupted.
4. Create a positive atmosphere.
5. Ask open-ended questions.
6. Give honest and constructive work-related feedback.
7. Encourage an interactive discussion on the review and establishment of goals and objectives.
8. Ask the employee what you can do to assist them to be successful.
9. Discuss how you will follow-up and close the meeting by thanking the employee for participating.

 - a. Should Federal, State and Local government authorities reduce available funding for staff pay and benefits the parties agree to meet and address the new circumstances.
2. **Furlough:** To reduce the negative impact reduction of force may have on classified employees of Manson School District, the district may choose to furlough an employee.
 - a. The opportunity to accept a furlough will be offered to employees in order of seniority within their classification. This provision shall not be interpreted to require the District to offer furlough to employees deemed necessary for school district operations during the COVID-19 emergency.
 - b. Employees who accept a voluntary furlough will continue to accrue seniority and longevity within their classification as though their service were uninterrupted.
 - c. The District will continue to make contributions to keep furloughed employees enrolled

- 1 in SEBB without interruption for the duration of their furlough.
- 2 d. Furloughed employees may be recalled to work with at least 24 hours' notice.
- 3 e. This voluntary furlough will last until no later than June 19th, at which point furloughed
- 4 employees will be returned to the work status they would ordinarily be in at that time.
- 5 Operational needs may require the District to end furlough for some or all furloughed
- 6 employees prior to that date (with notice as described in Section 4 above) but no
- 7 furlough will extend beyond June 19th.
- 8

- 15 to the temporary closure of school facilities.
- 16 b. Such employee may only be assigned to perform work for which the employee is
- 17 appropriately trained, licensed (if applicable) and prepared to perform.
- 18 c. Such assignment shall not, without the employee's agreement, exceed the hours
- 19 normally assigned to such employee.
- 20 d. Such employee shall be paid the regular salary, wages and benefits the employee would
- 21 receive from the employee's normal assignment.
- 22 e. Such employee's temporary assignment may not result in displacing any other
- 23 employee performing services within their regular job description.
- 24 f. Such temporary assignments may, with advance notice to the Association, include a
- 25 reassignment of employees (a) to work within the jurisdiction of another job title and/or
- 26 classification.
- 27 g. The temporarily reassigned employee retains a right to return to the employee's original
- 28 assignment upon resumption of normal school operations, subject to existing contract

The District will make every reasonable effort to allow these employees to work remotely or with a limited number of students when they return to campus.

No employee in these categories shall be expected or required to work without PPE, on any task that cannot be performed without social distancing, and/or with students or staff who cannot wear face coverings.

Employees who are assigned or accommodated to work remotely due to health risks and employees who are transferred to a different assignment as a result of district or student needs during the COVID pandemic in the 2020-21 school year, will have the right of first refusal to their previously held (2019-20) assignment for the 2021-22 school year.

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING IS TO SET FORTH THE FOLLOWING AGREEMENT BETWEEN THE PUBLIC SCHOOL EMPLOYEES/SEIU LOCAL 1948, MANSON CHAPTER AND THE MANSON SCHOOL DISTRICT #19 PURSUANT TO ARTICLE XXIII, SECTION 23.3. OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

The parties acknowledge that after December 31, 2020, the leave provisions in the Families First Coronavirus Response Act (FFCRA) are no longer in effect. This includes both the ten (10) days of leave for the purpose of quarantine Emergency Paid Sick Leave (EPSL) and the additions to paid family medical leave.

The parties also agree that there still may be a need for such leave, and the District is willing to continue to provide COVID leave under the following conditions:

COVID Leave

- A. Between January 1, 2021 and March 31, 2021, or until two weeks post Manson School District vaccination cycle, clinic (both doses if required) employees may access up to ten (10) days of District paid COVID leave. This leave can be used if the District determines that an employee is unable to work from home regardless of where COVID-19 was transmitted:
 - a. Has been diagnosed by a health care provider with COVID and is required to begin an isolation period.
 - b. Needs to care for someone diagnosed with COVID in the home and is in an isolation period.
 - c. Has been ordered to quarantine by the Health Department, medical provider, of the District due to exposure.
 - d. Is awaiting test results as a result of one of the above-described events.
- B. COVID Leave is in addition to the employee's regular, annual allocation of sick leave. When required to isolate due to exposure, if the employee is able to work remotely during isolation, no leave of any kind will be used.
- C. The maximum amount of this District provided COVID leave, combined with previously taken EPSL will not exceed ten (10) days and will not accrue or have an available balance past March 31, 2021.
- D. This provision for COVID Leave will be in force from January 1, 2021 until March 31, 2021. The District may extend this leave for one or more of the following reasons:
 - a. Either the state or federal government creates or extends some form of additional leave for COVID relief. If this occurs, the leave set out in "A" above will become null and void on the date any government provided leave takes effect.
 - b. Employees with extenuating circumstances may contact the District.

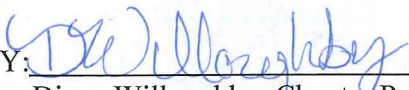

1 E. The District reserves the right to require the employee to provide documentation or information
2 from the Health Department or individual health care provider that may verify the need to
3 access this leave.

LETTER OF AGREEMENT

THIS LETTER OF AGREEMENT SETS FORTH THE FOLLOWING AGREEMENT BETWEEN THE PUBLIC SCHOOL EMPLOYEES OF WASHINGTON/SEIU LOCAL 1948, MANSON CHAPTER AND THE MANSON SCHOOL DISTRICT #19 PURSUANT TO ARTICLE XXIII, SECTION 23.3. OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

The parties agree to the following:

Employees Presentation of Vaccination Card or Status:

Employees who are vaccinated, will be asked to provide proof of vaccination by providing a copy of one of the following:

- CDC COVID-19 Vaccination Record Card.
- Certificate of COVID-19 Vaccination.
- State immunization information system record.
- For an individual who was vaccinated outside of the United States, a reasonable equivalent of any of the above.
- Personal attestation is not an acceptable form of verification of COVID-19 vaccination.
- Documentation of a vaccination document is the best way to ensure that all staff are protected under the vaccination mandate. At the employees request the District will not copy the vaccination document, instead will note it in the employees medical file.

COVID-19 Related Provisions:

- Employees who are directed to quarantine or isolate due to exposure will be assigned available work that meets the District's needs and that can be provided remotely on the condition that the District has available work, the employee is qualified to complete it, and the employee is able to provide such services.
- In the event an employee's worksite and/or school building is closed due to a COVID-19 outbreak, the district will seek an alternative work assignment if available.
- Employees with medically documented conditions that result in becoming ill after receiving the COVID-19 vaccine may receive no more than two (2) days of paid administrative leave.
- Use of administrative leave as provided in this section shall not count as an absence for purposes of achieving ideal attendance pursuant to Section 10.1.3. Sick Leave Monetary Incentive.
- Consistent with the [Health Emergency Labor Standards Act](#), any employee who contracts COVID-19 and provides proof of diagnosis is presumed to have contracted the virus at work unless there is a preponderance of evidence to prove otherwise.

Re-employment List:

Employees that are not fully vaccinated and do not otherwise qualify for an allowable exemption by the deadline established by the State of Washington (currently October 18, 2021) shall be considered to be in a recall pool until June 17, 2022. Employees in the recall pool will not accrue seniority, however their seniority will not be lost while in the pool.

If the requirement changes and employees are no longer required to provide proof of vaccination as a condition of employment, employees in the pool may return to an open regular position in their classification utilizing their seniority when available or work available substitute opportunities.

1 **References:**

2 Employees who choose separation due to the vaccine condition of employment, will receive a non-
3 biased reference not reflecting their failure to vaccinate, but the employee's work history and ethic.
4

5 **Unemployment:**

6 If the employee chooses to apply for unemployment, the employer will not contest such filing.
7 Although, conditions of unemployment are determined by Employment Security Department and not
8 the District.
9

10 When an employee's separation is the result of failure to comply with an employer's requirement to
11 become vaccinated, Employment Security Department (ESD) will examine a number of factors. These
12 factors may include when the employer adopted the requirement, whether the employee is otherwise
13 eligible for benefits, the specific terms of the vaccine policy including allowable exemptions, and the
14 reason why the employee did not comply with the vaccine requirement.
15

16 For example, when the employer offered religious or medical accommodations, but the employee does
17 not qualify for an accommodation and does not comply with the vaccine requirement, a claim would
18 likely be denied. However, some individuals may still qualify based on their own unique
19 circumstances. ESD will evaluate each case on its own merit.
20

21 **Retirement:**

22 Employees will refer to DRS.
23

24 **In the event the vaccine mandate as a condition of employment, causes significant increases to**
25 **workload for employees, the District agrees to the following:**

- 26 • With supervisor approval, allow over-time and extra time for employees should tasks take
27 longer due to the increase in workload. Such time shall not be mandatory.
- 28 • Bargain the impact of this change in workload with the Union, should such staffing ratios cause
29 hardship to employees.
- 30 • Supervisors will work with employees to prioritize tasks.
31

32 **Vaccination Exemption Process:**

33 Employees who qualify for exemptions will provide documentation and the employer will record
34 documentation provided for exemption in a file separate from their personnel file.
35

36 • **Medical Exemption / Accommodation**

37 Medical Exemptions will be treated through the district established medical accommodation
38 process and the district will determine the level and ability to accommodate per the individual.
39

40 • **Religious Exemption / Accommodation**

41 An employee who has a sincerely held religious belief that prevents them from being
42 vaccinated against COVID-19 may request an accommodation by notifying the superintendent.
43 The employee must meet with the superintendent to actively initiate the process. The employee
44 must submit the District's Religious Accommodation Form, which includes a statement
45 explaining how the vaccine requirements in Proclamation 21-14.1 conflict with the employee's
46 sincerely held religious beliefs, practice, or observance. The District may request additional
47 information from the employee to determine whether to grant the requested accommodation.
48 The employer will follow OSPI guidance to evaluate the request.

1 • **Documentation of requests**

2 The employer will document the accommodation granted or the denial. The information will be
3 kept in a secure and confidential location.

4
5 **Exemptions:**

6 An exemption whether it be medical or religious is an ask for a reasonable accommodation. If the
7 accommodation is granted the following may be required:

- 8 • The employee will be expected to wear additional protective Personal Protective Equipment (PPE).
9 • Proof of negative weekly COVID-19 screening test.

10
11 The only statutory limitation on an employer's obligation to provide "reasonable accommodation" is
12 that no such change or modification is required if it would cause "undue hardship" to the
13 employer. "Undue hardship" means significant difficulty or expense and focuses on the resources and
14 circumstances of the particular employer in relationship to the cost or difficulty of providing a specific
15 accommodation. Undue hardship refers not only to financial difficulty, but to reasonable
16 accommodations that are unduly extensive, substantial, or disruptive, or those that would
17 fundamentally alter the nature or operation of the business. An employer must assess on a case-by-case
18 basis whether a particular reasonable accommodation would cause undue hardship. The ADA's "undue
19 hardship" standard is different from that applied by courts under Title VII of the Civil Rights Act of
20 1964 for religious accommodation.

21
22 **Health, Safety, and Personal Protective Equipment (PPE):**

- 23 • The District will implement District-wide health and safety protocols that are designed to comply
24 with applicable guidance of all relevant public health agencies, which will include at least the
25 following: the federal Centers for Disease Control and Prevention ("CDC"); Proclamations by the
26 Governor; DOH; OSPI; the Washington State Department of Labor and Industries ("L&I");
27 Occupational Safety and Health Administration, and Chelan County Health District. Health and
28 safety protocols will be consistent with the District's Learning Plan. Strict compliance with all
29 relevant District safety and health rules will be an essential function of each employee's position.
30 The parties recognize that the District may revise such rules as guidance from federal, state, and
31 local authorities' changes and may need to bargain the impacts of future changes.
- 32 • The District will provide Personal Protective Equipment ("PPE") to employees meet state health
33 and safety standards. Employee requests for additional PPE (KN95 masks, additional hand
34 sanitizer, smocks, etc.) will be made to the employee's supervisor and will not be denied. The
35 District will respond to PPE requests in a timely manner.
- 36 • The District will provide training opportunities for all employees on health and safety protocols
37 through safe school training at the beginning of the 2021-22 school year.
- 38 • Building administrators will monitor the health of employees and enforce the COVID-19
39 district/schools safety plan.
- 40 • Employees will be provided an avenue for reporting failure to comply with PPE requirements
41 with support of the district without fear of retaliation. The Union will be notified of all
42 substantiated complaints involving PSE represented employees.
- 43 • School employees who experience or witness insulting, intimidating, and/or abusive behavior
44 toward a staff member enforcing any PPE or Protocols will immediately report the incident to the
45 Building Principal, building COVID supervisor, or nearest administrator. Per RCW 28A.635.100
46 and RCW 28A.635.020 these behaviors are a gross misdemeanor and will be reported to
47 authorities by the building administrator. An employee reporting and incident will not be
48 retaliated against.

1 **COVID Leaves:**

- 2 • COVID Vaccine Leave, Incentive and Recovery: Employees who are not vaccinated, may access
3 up to two (2) paid days of COVID-19 leave as described in this MOU to be vaccinated and to
4 recover from vaccine side-effects with physician's authorization.
- 5 • Employees who have a bona fide need to care for an individual who is subject to quarantine
6 because that individual has been diagnosed with COVID-19, or is experiencing symptoms of
7 COVID-19 and is seeking a medical diagnosis, may not come to work at a District work site and
8 may access any or all of the following benefits under the terms of the applicable law, District
9 policy, or collective bargaining agreement (CBA):
- 10 i. Accrued or donated leave for illness, injury, or emergency.
 - 11 ii. Personal leave and/or vacation leave (as available under the CBA and District policies).
 - 12 iii. Washington Paid Family Medical Leave (PFML) (eligibility determined by the state).
 - 13 iv. Worker's compensation (Claims that meet certain criteria for exposure will be
14 considered on a case-by-case basis and eligibility will be determined by the state.)
 - 15 v. Family Medical Leave Act (unpaid leave except for continued health insurance
16 benefits).
 - 17 vi. Unpaid leave of absence for the period of the temporary disabling condition.
 - 18 vii. Long-term disability benefits (eligibility under SEBB to be determined by the state).
 - 19 viii. Unemployment benefits (eligibility determined by the state).

20
21 Consistent with the [Health Emergency Labor Standards Act](#), during a declared public emergency,
22 members, who contract an infectious or contagious disease are entitled to worker's compensation wage
23 replacement and medical benefits under a rebuttable presumption that exposure to disease occurred on
24 the job.

- 25 i. A member with a positive diagnosis of COVID-19 can receive 4 days of paid leave, not
26 to be deducted from sick leave or personal leave. class 200-27-3121-0000-0000-00
- 27 ii. Employees may receive up to 2 days' vaccination leave upon superintendent approval
28 for the following:
- 29 a. One (1) day for personal booster vaccination.
 - 30 b. One (1) day for dependent children to be vaccinated.
- 31 iii. All other leave provisions under the CBA continue to be in place and may be used by
32 the employee to care for others in their household.
- 33
34

35 This Letter of Agreement will be effective upon signature, shall remain in effect through the term of
36 the contract and shall be attached to the current Collective Bargaining Agreement.
