Section 3.1.

It is agreed that the employees in the bargaining unit defined herein shall have and be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist MESP. The freedom of such employees to assist MESP shall be recognized as extending to participation in the management of MESP, including presentation of the views of MESP to the Board of Directors of MSD or any other governmental body, group or individual.

Section 3.2.

Each employee shall have the right to bring matters of work-related concern to the attention of appropriate MESP representatives and/or appropriate officials of MSD.

Section 3.3.

Employees subject to this Agreement have the right to have MESP representatives or other persons present at discussions between themselves, and supervisors or other representatives of MSD as hereinafter provided in Article XIII.

Section 3.4.

Neither MSD, nor MESP, shall unlawfully discriminate against any employee subject to this Agreement on the basis of race, creed, color, sex, age or marital status, or because of a physical handicap with respect to a position, the duties of which may be performed efficiently by an individual without danger to the health or safety of the physically handicapped person or others.

Section 3.5.

MSD personnel files of an employee shall be open for the employee's inspection. There shall be only one (1) official Personnel File for each employee. Procedures to be followed by MESP employees wishing to see their Personnel Files are as follows:

During the period for which the employee is under contract, the employee may submit a written request to the Superintendent, or their designee, to review their file. An appointment for the review shall be set for a mutually agreeable time within ten (10) working days of the request, and the review shall be made in the presence of the administrator responsible for the safekeeping of these files.

Copies, at cost, shall be permitted. An employee may submit written comments to be attached to any material that is part of the personnel file.

Section 3.5.1.

Each employee will be provided a copy of any disciplinary or corrective material placed in their personnel file within fifteen (15) workdays of a placement in the employee's personnel file.

Performance evaluations are a permanent part of the personnel file. Upon the approval of a written request of an employee to the Superintendent or their designee, all corrective material contained in the personnel file may be removed after two (2) years if there has not been any further disciplinary action. If there has been no further disciplinary action, and none of the material pertains to verbal

1 or physical abuse or sexual misconduct, all corrective material shall be removed in accordance
2 with the employee's request. In accordance with RCW 28A.400.301(9), no information related to
3 substantiated verbal or physical abuse, or sexual misconduct may be removed from any employee
4 file. No information related to unsubstantiated misconduct shall be in the employee's personnel
5 file. Corrective material discovered in an employee's personnel file for which there is no proof of
6 prior notice to the employee shall be immediately removed and may not be used in support of
7 discipline.

8
9 **Section 3.5.2.**

10 Material from the employer's "working" or "Supervisory" files may not be used to support
11 discipline if it has not been previously presented to the employee and placed in the employee's
12 personnel file within two (2) years of the occurrence.

13
14 **Section 3.6. Digital Video Cameras and GPS.**

15 The use of video cameras on or in MSD operated schools and on school buses is for the purpose of
16 reducing discipline problems and providing a safe environment for students and staff. Furthermore, video
17 cameras are a tool to assist in monitoring students on the bus, and inside and outside school buildings, they
18 are used to monitor and document student behavior. GPS is used to assist transportation staff with route
19 information and emergency response management. Camera video and GPS data will not be used or
20 reviewed randomly by supervisors as a means to monitor employee performance except as part of a
21 response to a specific recorded complaint leading to an investigation into allegations of misconduct. If
22 video and/or GPS data is to be reviewed by authorized MSD personnel for any reason, the employee
23 involved will be notified, informed of the purpose of the review, and afforded the opportunity to view the
24 same data. In the event MSD intends to use video or GPS data as corroborative information for
25 disciplinary purposes, MSD shall provide a copy of such information to the employee and MESP
26 President. All MESP represented employees will be notified in writing of GPS surveillance and video
27 camera placement. All buses will be equipped with video cameras, which will be inspected by MSD
28 Mechanic at least once per month as to verify that they are functioning and recording. MSD will prioritize
29 the use of buses with functioning cameras.

30
31 All recordings will be appropriately labeled and stored in a secure location. The employee may view the
32 recordings specific to that employee upon the employee's request at a set time and a designated location.
33 Upon reviewing the recording(s), the employee may be requested to develop a plan of improvement and/or
34 discuss with an administrator or supervisor their conclusions.

44 probationary period. All evaluations shall use the Classified Performance Appraisal Form included as
45 Attachment A of this Agreement until Assignment Specific Classified Performance Appraisal Forms are
46 developed.

1 The Assignment Specific Classified Performance Appraisal Forms will be developed by MSD and MESP
2 Leadership as part of the monthly Labor Management agenda, or another monthly meeting agreed upon by
3 the parties. A minimum of two (2) MESP employees jointly selected by the Labor-Management
4 Committee holding each Assignment will be included in the development of the appraisal form.

10 the employee at least twenty-four (24) hours prior to the discussion of that evaluation. A copy of the
11 evaluation, signed by the employee and their supervisor shall be placed in the employee's personnel file.

17 If an employee receives an evaluation of “Needs Improvement” or “Unsatisfactory” in any
18 category, they shall receive a second evaluation within sixty (60) working days of their original
19 evaluation. If the second evaluation does not indicate a change from “Needs Improvement” or
20 “Unsatisfactory”, the employee will be placed on a Plan of Improvement.

21
22 Prior to beginning a plan of improvement, a review of the plan will be completed with the
23 employee. A copy of the plan of improvement shall be made available to the employee at least

3 no longer reflects the work being performed. Request for re-evaluation of existing positions will be made
4 in writing to the Superintendent and the MESP President or their designee. MSD will provide a response
5 to the employee in writing within thirty (30) working days of the requested review. In the event of changes

32

33 **Section 4.4.**

34 An integral part of each employee’s tenure with MSD is an understanding of this Collective Bargaining
35 Agreement and the role of MESP in the employment setting. The parties agree that it is highly beneficial
36 for all bargaining unit employees to receive a comprehensive overview of the provisions in the Collective
37 Bargaining Agreement. As such, at the beginning of each school year, as part of MSD’s orientation for
38 new employees, and at each quarterly orientation held for new employees hired after the start of the school
39 year, each new bargaining unit employee shall be provided an opportunity to attend one (1) paid, thirty
40 (30) minute session at which MESP President or their designee will provide an overview of MESP and the
41 provisions of this Collective Bargaining Agreement. MSD will provide MESP President at least ten (10)
42 days’ notice of any employee orientation, and within forty-eight (48) hours in advance of the orientation

17 MESP or designee. Job descriptions that are changed by MSD which reflect substantial changes impacting
18 the hours, wages, and working conditions of the employee and new job descriptions that are created by
19 MSD covering employees under the scope of this Agreement will be made available to the President of
20 MESP or designee in advance of the implementation.

27 this belief to MSD, in writing, MSD will review the position and job description, and will either modify
28 the job description or communicate, in writing, to MESP its reason for not modifying the job description.
29

30 MSD will update job descriptions over a five (5) year period by conducting updates of roughly one-fifth
31 (1/5) of total job descriptions each year. Input from MESP will be solicited, in the form of a list of
32 positions to be reviewed and a schedule for review by September 30 of each school year. As a part of this
33 process, MSD will solicit input from at least ten percent (10%) of incumbent employees in the reviewed
34 classification in an effort to determine how the position may have changed since the last time the job
35 description was reviewed. The updating will not, in and of itself, provide the basis for triggering an
36 obligation to negotiate over wages.

Section 6.13.4.4.

- a) Extra Trips will be posted by 1:30 pm every Wednesday and awarded after 8:00 am on each Friday (or the last school day of the week) or earlier once it is determined that all eligible Regular Drivers have completed sign-up; the Trip List will be removed at 8:00 am Friday (or the last school day of the week) and no further changes or sign-ups to the Trip List will be made. Eligible Regular Drivers are responsible to review their awarded extra trips and decline any extra trip(s) they are no longer able to drive by noon (12:00 pm) on Friday. Extra Trips received after 1:30 pm on Wednesday will be posted in the order they are received and will be assigned after all eligible Regular Drivers have been given the chance to review them. All Trip Lists will be made available upon request for any employee to review in the Transportation Office.
- b) If an eligible Regular Driver is absent from their Regular Route due to illness, they are ineligible for a trip immediately following their Regular Route.
- c) When Extra Trips are awarded, the eligible Regular Driver will receive a “Trip Ticket”. Should the Extra Trip be declined after previously being accepted by an eligible Regular Driver, the “Trip Ticket” will have the appropriate section filled out, be signed and returned to the Director of Transportation, or their designee. The trip will then be reposted at the end of the current week’s Trip List and made available to the next eligible Regular Driver in the seniority rotation.
- d) If an eligible Regular Driver accepts a trip and subsequently declines that trip within forty-eight (48) hours of departure time (except in an emergency as defined in Sections 8.2 and 8.3) the eligible Regular Driver will be taken off the trip assignment board for thirty (30) calendar days.
- e) Extra Trips will be listed on the sign-up sheet in the order they are received in the system, however Overnight Trips will be listed first on the sign-up sheet without regard to sequence.
- f) Cancelled Extra Trips will be marked as such on the Trip List, notification will be given to the eligible Regular Driver awarded the Extra Trip, and they will relinquish the trip. If an Extra Trip is cancelled and the assigned Driver is given one (1) hour notice or less, they shall receive a minimum of thirty (30) minutes of pay. Changed, postponed and cancelled Extra Trips that are rescheduled within the same work week (Sunday through Saturday) will remain on the Trip List as assigned, be re-dated and/or changed as required, but will remain in the original Trip List position. If the eligible Regular Driver originally awarded the Extra Trip has another conflicting Extra Trip for this new day or is not able to accept the trip for the newly scheduled time, it will be reposted as a declined trip per Section (c) above. If a regularly awarded, re-dated or changed trip is assigned within forty-eight (48) hours of its departure time the assigned driver may return it to be reposted and not suffer the consequences of section (d) above. Changed, postponed and cancelled trips that are not rescheduled within the same work week (Sunday – Saturday) will be posted as new trips when they occur.

1 g) Eligible Regular Drivers not in or approaching overtime will be given rotation priority
2 over drivers who are in overtime or will be in overtime based on the listed specifics of
3 the trip to be awarded. If all eligible Regular Drivers that have signed up for a specific
4 trip are, or will be in overtime, based on the trip specifics, the trip will be awarded to
5 the eligible Regular Driver in the original regular rotation. When an eligible Regular
6 Driver signs up for a trip that will put them in overtime, and they desire to be awarded
7 the trip only if the overtime will apply, they should sign up “Yes OT”. If an eligible
8 Regular Driver signs up “yes” but it is determined by the Director of Transportation, or
9 their designee that the trip will put the driver in overtime, they will mark “OT”
10 following “yes” and the process will continue. If an eligible Regular Driver signs up
11 and is awarded multiple trips or their weekly hours are such that an awarded trip will
12 put them in overtime, they have the option of choosing to “decline” the trip with the
13 “Trip Ticket” marked and signed, “Yes OT”, the trip will be reposted, “OT” request
14 marked on the new posting and the rest of this Section will apply. An eligible Regular
15 Driver also has the option of reducing weekly hours to forty (40) or less by returning
16 one (1) or more of any multiple trips or by giving up some “extra time” (as opposed to
17 regular contracted hours) dependent on individual driver situations. Eligible Regular
18 Drivers shall document their intention to give up “extra time” on the sign-up sheet to
19 avoid having the Director of Transportation, or their designee mark “OT” on their
20 behalf. If overtime is authorized this Section is to be considered not applicable.

Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four (4) days for every one (1) day's monetary compensation.

Section 8.1.1.2.

8 An employee with accumulated sick leave who is temporarily disabled from working due to injury
9 or occupational illness which is covered by the State industrial insurance laws, Title 51 RCW, shall

ARTICLE IX

PROBATION, SENIORITY AND LAYOFF PROCEDURES

Section 9.1.

Seniority is defined as the total years of service in any general job classification, within the Meridian School District. The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began continuous daily employment (hereinafter "hire date") in a Regular Position unless such seniority shall be lost as hereinafter provided. An employee must work more than fifty percent (50%) of the hours associated with the general assignment to be awarded annual seniority credit in a general job classification.

Section 9.1.1.

Seniority credit will be added and calculated annually by MSD as of July 31, be published in draft form on December 15 and sent to the MESP President or designee for review. MESP will have a twenty (20) working day review period to approve the draft or seek resolution on issues with the draft. Questions raised by employees regarding seniority placement should be directed to the MESP President or their designee. At the end of the twenty (20) working day review period, the MESP President will provide a summary of all seniority placement questions to the Assistant Superintendent or their designee to be reviewed by the employer within ten (10) working days. The final seniority list will be published within five (5) working days of MESP approval or resolution of all issues brought forward in the review period. For the purpose of this Section, working days are based on the one hundred eighty (180) working day calendar.

Section 9.1.2.

In the event more than one (1) employee in a general job classification, is awarded the same seniority date, the question of seniority among those employees shall be determined in the following priority order:

1. Determine which employee has worked the greatest combined number of hours (based upon time sheets) as a Leave Replacement, Temporary or Substitute employee in the classification in the current and immediately preceding school year.
2. Determine which employee submitted their application for employment in the classification on the earliest date.
3. By a draw of cards (conventional fifty-two (52) card deck, utilizing one suit, Ace to be considered the highest card).

Determination of seniority in like cases shall be documented on the published seniority list annually.

Section 9.1.3.

MSD will provide the MESP President a copy of the published seniority list upon request, however seniority credit will only be added and calculated annually as per Article IX, Section 9.1.1.

1 **Section 9.2.**

2 Each new hire shall remain in a probationary status for a period of not more than sixty (60) working days
3 following the hire date. During this probationary period MSD may discharge such employee at its
4 discretion.

5
6 **Section 9.3.**

7 Upon completion of the probationary period, the employee will be subject to all rights and duties
8 contained in this Agreement retroactive to the hire date.

9
10 **Section 9.4.**

11 The seniority rights of an employee shall be lost for the following reasons:

- 12 A. Resignation;
- 13 B. Discharge for justifiable cause;
- 14 C. Retirement; or
- 15 D. Change in job classification within the bargaining unit, except as hereinafter provided.

16
17 **Section 9.5.**

18 Seniority rights shall not be lost for the following reasons, without limitation:

- 19 A. Time lost by reason of industrial accident, industrial illness or judicial leave;
- 20 B. Time on leave of absence granted for the purpose of serving in the Armed Forces of the
21 United States-

22
23 **Section 9.6.**

24 Seniority rights shall be effective within the general job classification except as is outlined in Section 9.8.
25 As used in this Agreement, general job classifications are those set forth in Article I, Section 1.3.

26
27 **Section 9.7.**

28 The employee with the greatest seniority in classification shall have preferential rights regarding shift
29 selection, vacation periods, promotions, assignment to new or open jobs or positions, and layoffs, except
30 when a junior employee or outside applicant demonstrates superior ability, qualifications, and/or
31 performance related to the job description or posting.

32
33 If MSD determines that seniority rights should not govern for the reasons described in the preceding
34 sentence. MSD shall set forth in writing to the employee or employees and the MESP President or their
35 designee its reasons why the senior employee or employees have been bypassed.

36
37 **Section 9.7.1.**

38 Employees subject to this Agreement have the right to apply for and be considered for positions
39 open in all classifications covered by this Agreement, with consideration given to their skills and
40 abilities. If MSD does not interview a current employee for an open position, MSD shall set forth
41 in writing to the employee or employees and the MESP President its reasons why the employee
42 was not selected for an interview.

1 **Section 9.8.**

2 Employees who change job classifications within the bargaining unit shall retain their seniority in the
3 previous classification, notwithstanding that they have acquired a new hire date and a new classification.
4 Employees will retain the total number of years they worked in their previous classification for a period of
5 two (2) years, but will not accumulate any additional years, as long as they work in a different
6 classification. After two (2) years, the seniority in the previous classification will be forfeited.
7

8 In the event of program wide reductions, job placement (based upon program need) will be determined by
9 seniority in classification with respect to skills and ability. MSD will continue to lay off from the bottom
10 of the seniority list (by classification) and allow laid off senior employees to move into open positions. If
11 there are no vacancies in the laid off employee's current or former classifications, they may exercise the
12 right to move into the position of a less senior employee in a classification they previously occupied,
13 beginning with the least senior employee in that classification. That least senior employee will then enter
14 layoff status.
15

16 **Section 9.8.1.**

17 Librarians who previously held the position of Paraeducator will retain all of their years of
18 seniority within the Paraeducator classification. This will apply to seniority rights including any
19 new or open positions or any layoff or reductions should they occur under Article IX. However,
20 the seniority of Librarians will be ranked according to their day of hire within the Librarian
21 classification should any reductions or hires take place solely within said classification. Librarians
22 hired prior to September 1, 2021, are not subject to their seniority in the Paraeducator classification
23 being forfeited after two (2) years.
24

25 **Section 9.9.**

26 MSD shall publicize for five (5) working days the availability of new and open positions. All new
27 positions of sixty (60) minutes or more per shift will be posted. This is exclusive of Section 9.14. MESP
28 will be notified of new and open positions via an email sent to all staff on the day a position is opened.
29

30 **Section 9.10.**

31 In the event of layoff, employees so affected are to be placed on a reemployment list maintained by MSD
32 according to seniority, with the most senior being called back to work first. Such employees are to have
33 priority over outside applicants and will be considered along with current employees in filling an opening
34 in the specific job category held immediately prior to layoff. Names shall remain on the reemployment list
35 for sixteen (16) months. Except in extraordinary cases, MSD will give employees' two (2) weeks' notice
36 of intention to lay them off. Employees shall give MSD two (2) weeks' notice of their intention to resign.
37 Per Article X, Section 10.3, if an employee does not provide two (2) weeks notification, the employee will
38 forfeit compensation for duties not performed in this time period.
39

40 **Section 9.11.**

41 Employees on layoff status shall file their addresses in writing with the personnel office of MSD and shall
42 thereafter promptly advise MSD in writing of any change of address.
43
44
45
46
47
48

1 **Section 9.12.**

2 An employee shall forfeit rights to reemployment as provided in Section 9.10 if the employee does not
3 comply with the requirements of Section 9.11, or if the employee does not respond to the offer of
4 reemployment within ten (10) calendar days of MSD contacting the employee with the offer of
5 reemployment. MSD shall make said offer by phone and email to employees on the reemployment list in
6 order of seniority.

7
8 **Section 9.13.**

9 An employee on layoff status who rejects an offer of re-employment forfeits seniority and all other
10 accrued benefits; provided that such employee is offered a position substantially equal to that held prior to
11 layoff. Substantially is defined as at least seventy-five percent (75%) of hours worked prior to lay off.
12

13 **Section 9.14.**

14 The term “Reduction of Hours” means a loss of time of at least one half (½) hours not due to disciplinary
15 reasons. A reduction of hours shall not constitute a layoff. In case of reduction of hours, MESP and MSD
16 agree to meet and confer regarding said reductions. As part of the meet and confer process, seniority will
17 prevail.

18
19 Regular employees (excluding Leave Replacement, Temporary and Substitute employees) whose hours
20 are reduced more than one half (½) hour will have first right of refusal to restoration of hours as hours
21 become available within classification and in the employee’s building for a period of one and one half
22 (1½) years following the reduction of hours. Restoration of hours will be based on the employee’s
23 seniority though job requirements as outlined in Section 9.7 may also be considered. An employee will
24 forfeit rights to reinstate hours if they do not respond to the first offer of hours within ten (10) calendar
25 days of MSD contacting the employee with the offer of reemployment. MSD shall make said offer by
26 phone and email to employees on the reemployment list in order of seniority.

27
28 Additional hours under this Section shall not include the posting of a new or vacant position.

29
30 This Section does not apply to time reduction resulting from route changes in the Transportation
31 Department.

ARTICLE X

DISCIPLINE AND DISCHARGE

Section 10.1.

No employee shall be disciplined without just cause. The specific grounds forming the basis for disciplinary action will be made available to the employee, and when requested by the employee, to MESP in writing. The issue of just cause shall be resolved in accordance with Article XIII of this agreement.

At the request of the employee, they shall be provided a reasonable opportunity to have a representative of MESP present at the initiation of any disciplinary action. When a request for such a representative is made, no action shall be taken with respect to the employee until the employee has been granted a reasonable time to have such a representative present, so long as this does not unreasonably delay or hinder the investigation.

MSD will follow a policy of progressive discipline, which normally includes an oral warning, written reprimand, suspension and discharge; PROVIDED, however, that progressive discipline shall not apply (a) in cases of deficiencies covered by Article 3, Section 7, Evaluations, or (b) when the severity of the employee's action(s) justifies a departure from progressive discipline, including, but not limited to, conduct endangering students or causing harm to students. If MSD has reason to reprimand an employee, care should be taken not to embarrass the employee before other employees or the public.

Section 10.2.

Except in extraordinary cases, and as otherwise provided in this Article, MSD will give employees ten (10) working days' notice of intention to discharge.

Section 10.3.

Except in extraordinary cases, employees shall provide MSD a minimum of ten (10) working days' notification in the event of resignation or any other voluntary termination. If an employee does not provide ten (10) working days' notification, the employee will forfeit compensation for duties not performed in this time period.

If the Chapter membership so elects, during the subsequent calendar year any eligible employee electing to cash out sick leave shall have their sick leave buyout payment remitted directly to a Post-Retirement Medical Reserve Trust Program. Such a program will provide reimbursement of medical, dental, and vision expenses to eligible employees.

For eligibility, the employee must complete the appropriate enrollment form and sign the hold harmless provision. The hold harmless provision shall protect MSD and MESP from all legal actions and indemnify same should it be found that MSD or the employee is in debt to the United States government from not paying income taxes due on any amounts or a result of MSD not withholding or deducting any tax, assessment, or other payment on such funds as required by federal law. MSD and MESP make no representations or warranties with respect to the tax consequences of the program nor to the ability of the sponsor or insurer to fulfill its obligations under the program.

Section 11.4.

Effective September 1, 2023, MSD will contribute twenty-five dollars (\$25) per employee, per month, to an approved VEBA account. Effective September 1, 2025, MSD will contribute thirty dollars (\$30) per employee per month to the above-mentioned account.

7 In determining whether an employee subject to this Agreement is eligible for participating in the

14 **ARTICLE XII**

15
16 **MESP MEMBERSHIP AND CHECKOFF**

17
18 **Section 12.1.**

19 All employees subject to this Agreement may choose to join MESP. MSD shall deduct MESP dues and
20 assessments from the pay of any employee who authorizes such deductions upon receipt of a written
21 authorization executed by an individual employee. MSD will notify the MESP President or their designee
22 of all new hires and provide a copy of their offer letter within thirty (30) days of their hire. MESP is solely
23 responsible to follow up with their members to provide them with authorization materials and follow up on
24 their processing.

25
26 **Section 12.2.**

27 Prior to the beginning of each school year, MESP will give written notice to MSD of the percentage of
28 gross pay assessed for dues required of an MESP member. The deductions authorized by the above
29 Section will be made in twelve (12) monthly deductions from each paycheck beginning the pay period of
30 September through the pay period in August of each year. MSD will send the funds deducted for the
31 Public School Employees of Washington/SEIU Local 1948 and for the Meridian Education Support

The Mediator's opinion is advisory only. The parties may mutually agree to depart from the formal grievance process at any time in order to address the dispute through grievance mediation. In the event resolution is not achieved through the grievance mediation process, the formal grievance process contained herein shall resume without prejudice to either party.

1 **Section 13.3. Timelines.**

2 Grievances shall be processed in the following manner and within the stated time limits. Time limits
3 provided in this procedure may be extended only by mutual written agreement.
4

5 Failure on the part of MSD at any step of this procedure to communicate the decision on a grievance
6 within the specific or mutually extended time limits shall permit the grievant to lodge an appeal at the next
7 step of this procedure.
8

9 Failure of the grievant (employee or MESP) to present or proceed with a grievance within the specified or
10 mutually extended time limits will render the grievance waived.
11

12 **Section 13.4. Representation.**

13 The grievant may waive MESP's involvement in the procedures at any step, provided they do so in
14 writing. If the grievant elects not to have MESP representation, MESP shall receive the same written
15 responses provided to the grievant.
16

17 **Section 13.5. Process.**

18 **Section 13.5.1. Step 1 Informal Level - Informal Submission of Grievance to Supervisor.**

19 Within twenty (20) days following the occurrence of the event giving rise to the grievance, or
20 twenty (20) days after the event is known or reasonably should have been known, the employee
21 shall attempt to resolve the grievance informally with the immediate supervisor. In presenting the
22 grievance, the employee may elect to be accompanied by a representative of MESP. The
23 immediate supervisor shall respond informally within ten (10) days of the employee's presentation.
24
25

26 **Section 13.5.2. Expedited Procedure.**

27 In order to expedite the grievance procedure, the parties may agree that Step 2 may be bypassed if
28 the parties determine that the supervisor at that level does not have authority to resolve the
29 grievance.
30

31 **Section 13.5.3. Step 2 Formal Level - Written Submission of Grievance to Supervisor.**

32 If the grievance is not resolved informally, it shall be reduced to writing by the employee who shall
33 submit it to the immediate supervisor within ten (10) days after receipt of the informal response.
34 The written grievance shall contain:

37 the grievance is based;
38 B. Reference to the specific terms of the Agreement which have been allegedly violated;
39 C. Issues involved; and

5 If the grievance is not settled at Step 2 and the employee wishes to pursue the grievance to
6 Step 3, the employee must file the grievance in writing within ten (10) days after receipt of
7 the immediate supervisor's written response in Step 2 above.

8
9 The Superintendent or their designee will review the grievance with the parties involved
10 and provide a written statement of the disposition to the employee with a written copy to
11 MESP within (10) days of receipt of the grievance.

12
13 **Section 13.5.4.2. Association Grievances.**

14 A grievance which MESP may have against MSD, limited as aforesaid to matters dealing
15 with the interpretation or application of terms of this Agreement relating to MESP rights,
16 shall be commenced by filing in writing (in the format of Step 2 above) with the
17 Superintendent or their designee. Such filing shall be within twenty (20) days following the
18 occurrence of the event giving rise to the grievance or twenty (20) days after the event is
19 known or reasonably should have been known. The Superintendent or their designee and
20 MESP will have ten (10) days from the receipt of the grievance to resolve it.

21
22 **Section 13.5.5. Arbitration.**

23 If no settlement is reached in Step 3, MESP may request that the matter be submitted to an
24 arbiter as hereinafter provided.

25
26 **Section 13.5.5.1.**

27 Written notice of a request for arbitration shall be made to the Superintendent within ten
28 (10) days of receipt of the disposition letter at Step 3.

29
30 **Section 13.5.5.2.**

31 An arbitration shall be limited to issue(s) involving the interpretation or application of
32 specific terms of this Agreement.

33
34 **Section 13.5.5.3.**

35 When a timely request has been made for arbitration, the parties shall attempt to select an
36 impartial arbiter to hear and decide the particular case. If the parties are unable to agree to
37 an arbiter within ten (10) days after submission of the written request for arbitration, the
38 provisions of Section 13.5.5.4, below, shall apply to the selection of an arbiter.

39
40 **Section 13.5.5.4.**

41 The parties shall jointly request either the American Arbitration Association or the Federal
42 Mediation and Conciliation Service to submit a panel of nine (9) arbiters. Such request
43 shall state the issue of the case and ask that the nominees be qualified to handle the type of
44 case involved. Selection of the specific arbiter will be determined by the procedures utilized
45 by the agency.

1 **Section 13.5.5.5.**

2 Arbitration proceedings shall be in accordance with the following:

- 3
- 4 A. The arbiter, once appointed, will inform the parties as to the procedures which
5 will be followed.
- 6 B. The arbiter shall hear and accept pertinent evidence submitted by both parties
7 and shall be empowered to request, through subpoena if necessary, such data
8 and testimony as the arbiter deems pertinent to the grievance and shall render a
9 decision in writing to both parties within thirty (30) days, unless mutually
10 extended, of the closing of the record.
- 11 C. The arbiter shall be authorized to rule and issue a decision in writing on the
12 issue(s) presented for arbitration which decision shall be final and binding on
13 both parties.
- 14 D. Each party to the proceedings may call such witnesses as may be necessary in
15 the order in which their testimony is to be heard. Such testimony shall be limited
16 to the matters set forth in the written statement of grievance. The arguments of
17 the parties may be supported by oral comment and rebuttal. Either or both
18 parties may submit written briefs within a time period mutually agreed upon.
19 Such arguments of the parties, whether oral or written, shall be confined to and
20 directed at the matters set forth in the grievance.
- 21 E. Each party shall pay any compensation and expenses relating to its own
22 witnesses or representatives.
- 23 F. The costs for the services of the arbiter, including per diem expenses, if any, and
24 their travel and subsistence expenses, and the cost of any hearing room shall be
25 borne equally by MSD and MESP. All other costs and expenses will be borne
26 by the party incurring them.
- 27 G. The total cost of the stenographic record, if requested, will be paid by the party
28 requesting it. If the other party also requests a copy, that party will pay one half
29 (½) of the stenographic cost.
- 30

31 **Section 13.6. Binding Affect.**

32 Agreements arrived at under the provisions of this Article by the representatives of MSD and MESP at
33 Steps 1, 2, and 3, or by the arbiter's award, shall be final and binding upon both parties, provided,
34 however, that in arriving at such decisions neither of the parties nor the arbiter shall have the authority to
35 alter this Agreement in whole or in part.

36

37 **Section 13.7. Limits of the Arbiter.**

38 The arbiter cannot order MSD to take action contrary to law.

39

THE PURPOSE OF THIS MEMORANDUM OF UNDERSTANDING IS TO SET FORTH THE FOLLOWING AGREEMENT(S) BETWEEN PUBLIC SCHOOL EMPLOYEES OF WASHINGTON/SEIU LOCAL 1948, MERIDIAN EDUCATION SUPPORT PROFESSIONALS CHAPTER #816 AND THE MERIDIAN SCHOOL DISTRICT #505. THIS AGREEMENT IS ENTERED INTO PURSUANT TO ARTICLE XVIII, SECTION 18.3 OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

The parties enter this Memorandum of Understanding to address the application of Section 16.9.9 of the Collective Bargaining Agreement while cell phones are issued by Meridian School District (MSD).

Cell phones stipends are currently being issued to MESP represented employees in specific classifications and/or assignments as per Article XVI, Section 16.9.9.

During the 2024-2025 school year, MSD will begin providing employer-issued cell phones, consistent with Section 16.9.9. As these employer-issued cell phones are provided, the payment of the stipend for using a personal cell phone will be discontinued. MSD will make every effort to provide a minimum of thirty (30) days notification the effective payroll date that a MESP-represented employee stipend will end.

In the event that MSD suspends or ends the practice of providing cell phones to these employees, stipend payments will resume no later than the second payroll cycle following the practice being discontinued.

This Memorandum of Understanding shall become effective upon signature of both parties.
