SENIORITY

Section 10.1.

The seniority of an employee in the bargaining unit shall be established as of the date on which he/she was hired by the District (hereinafter "hire date") unless such seniority shall be lost as hereinafter provided, with the sole exception of bus drivers (see 10.1.1). Substitute or Temporary work performed prior to regular employment does not count toward seniority.

Section 10.1.1.

Seniority rights for bus drivers are determined for those only with the bus driver position. All bus driver seniority rights are determined by hire date among bus drivers only.

Section 10.2.

The seniority rights of an employee shall be lost for the following reasons.

- A. Resignation.
- B. Discharge.
- C. Retirement.

Section 10.3.

Seniority rights shall not be lost for the following reasons, without limitation:

- A. Time lost by reason of industrial accident, industrial illness or jury duty;
- B. Time on leave of absence granted for the purpose of serving in the Armed Forces of the United States; or
- C. Time spent on other authorized leaves of absence, not to exceed one year.
- D. Change of position from one classification to another. The employee shall retain but not accrue seniority in the previously held classification.

Section 10.4.

The employee with the earliest hire date shall have preferential rights regarding vacation periods. The employee with the earliest hire date shall have preferential rights regarding promotions, assignment to new or open jobs or positions, and layoffs when ability and performance are substantially equal with those individuals junior to him/her. If the District determines that seniority rights should not govern because a junior employee possesses ability and performance substantially greater than a senior employee or senior employees, the District shall set forth in writing to the employee or employees its reasons why the senior employee or employees have been bypassed.

Section 10.4.1.

Substitutes satisfying the definition of thirty (30) workdays in a twelve (12) month calendar year shall be granted an interview for open positions in their respective classification.

Section 10.5.

The District shall publicize the availability of open and/or vacant positions as soon as possible after the District is apprised of the opening. Current classified staff will be given consideration and an

interview for open positions. A copy of the job posting shall be forwarded to the president of the Association.

Section 10.6. Layoff.

If there is a need to eliminate one or more positions in the bargaining unit that the District anticipates will result in layoffs, the District will proceed according to the following procedures:

1. The District will first identify the positions to be eliminated based on District needs.
2. The District will then identify any vacant or new positions known at the time of the position elimination. In the event one or more positions are to be eliminated, the District may place displaced employees in an equivalent vacant position in their current classification, without posting the vacant position. The District may add time to an existing position without posting in order to ensure the employee does not suffer a loss of hours or pay.
3. If after consideration of existing vacancies, and with input from the employee pursuant to item 5 below, the District determines that there is still a need to proceed with layoffs, the District will displace less senior employee(s) in each classification as necessary to create equivalent positions for any more senior displaced employees, without a loss of hours or pay.
4. If any employee displaced in Step 3 has more seniority than other remaining employees, the District will repeat Step 3 until displaced employee(s) have no less senior employee(s) to displace. The remaining employee(s) will then be identified for layoff.
5. Before deciding on the placement of an employee in a position pursuant to the above procedures, the Superintendent and employee will discuss available options and seek to reach agreement on the employee's placement. Consideration shall be given to the employee's experience and abilities, including experience in any sub-category within classifications (for example, Title/Special Education, Library, or Instructional for Paraeducators). If an agreement is not reached, the District retains the right to determine placement pursuant to Section 2.1.
6. If during the above process the District determines that seniority rights should not govern because a junior employee possesses ability and performance substantially greater than a senior employee or senior employees, the District shall set forth in writing, if requested, to the employee or employees and the organization's president its reasons why the senior employee or employees have been bypassed.

Employees who are laid off will be placed on a re-employment list maintained by the District according to seniority. Employees on the re-employment list have priority in filling an opening in the classification held immediately prior to layoff. Names shall remain on the re-employment list for two (2) years.

Section 10.7.

Employees on layoff status shall file their addresses in writing with the personnel office of the District and shall thereafter promptly advise the District in writing of any change of address.

1 **Section 10.8.**

2 An employee shall forfeit rights to reemployment as provided in Section 10.6 if the employee does
3 not comply with the requirements of Section 10.7, or if the employee does not respond to the offer
4 of reemployment within five (5) work days.

5
6 **Section 10.9.**

7 An employee on layoff status who rejects an offer of reemployment forfeits seniority and all other
8 accrued benefits; provided, that such employee is offered a position substantially equal to that held
9 prior to layoff.

23 At the end of the probationary period, the employee will be subject to all rights and duties contained in
24 this agreement retroactive to his/her hire date.

25

27 Employees assigned to a position new to them shall have a fifteen (15) workday trial period in the new
