PREAMBLE

This Agreement is made and entered into between Naselle-Grays River Valley School District #155 (hereinafter “District”) and Public School Employees of Naselle-Grays River Valley, an affiliate of Public School Employees of Washington/SEIU Local 1948 (hereinafter “Association”).

In accordance with the provisions of the Public Employees Collective Bargaining Act and regulations promulgated pursuant thereto, and in consideration of the mutual covenants contained therein, the parties agree as follows:

ARTICLE I

Section 1.2.

Nothing contained herein shall be construed to include in the bargaining unit any person whose duties as deputy, administrative assistant, or secretary necessarily imply a confidential relationship to the board of directors or superintendent of the District pursuant to RCW 41.56.030 (2).

Section 1.3.

The bargaining unit to which this agreement is applicable shall consist of all full-time and regular part-time classified employees in the general job classification of maintenance, custodial, food service, transportation, para-educator, technician, and secretarial-clerical; excluding the superintendent's secretary (1), the accounts payable secretary (1), head mechanic (1), business manager (1), tech director (1), and custodial and maintenance supervisor (1), a total of six (6) exemptions.

Section 1.3.1.

Pursuant to PERC rules, substitute employees working thirty (30) days or more in a school year are recognized as bargaining unit employees; provided, however, that substitutes are subject only to the terms of this section (Section 1.3.1) and Schedule A. Substitute employees who have not yet completed thirty (30) cumulative work days in a school year will be paid at the substitute rate on Schedule A. Substitute employees will be compensated at the Step 1 rate once they have completed thirty (30) cumulative days of work in a school year. Substitute employees shall be eligible to participate in Washington State Public Employees Retirement System to the extent allowed by state law.

ARTICLE II

RIGHTS OF THE EMPLOYER

Section 2.1.

It is agreed that the customary and usual rights, powers, functions, and authority of management are vested in management officials of the District. Included in these rights and in accordance with and subject to applicable laws, regulations, and the provisions of this agreement, is the right to direct the work force, the right to hire, promote, retain, transfer, and assign employees in positions; the right to suspend, discharge, demote, or take other disciplinary action against employees; and the right to release employees from duties because of lack of work or for other legitimate reasons. The District shall retain the right to maintain efficiency of the District operation by determining the methods, the means, and the personnel by which operations undertaken by the employees in the unit are to be conducted. The District shall give due regard and consideration to the rights of the Association and the employees and to the obligations imposed by this agreement.

RIGHTS OF EMPLOYEES

Section 3.1.

It is agreed that all employees subject to this agreement shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist the Association.

The freedom of such employees to assist the Association shall be recognized as extending to participation in the management of the Association, including presentation of the views of the Association to the board of directors of the District or any other governmental body, group, or individual. During the review, employees shall be allowed to copy any material therein and shall be permitted to make a written inventory of material there and, on request, have such inventory signed and dated by a representative of the administration.

No performance related material shall be placed in the employee's personnel file unless said material has been shown to the employee and the employee has been given an opportunity to sign the material, indicating that the employee has received said material. Upon request, all derogatory material contained in the file, as determined by the employee and approved by the superintendent, except evaluations and material regarding proven criminal misconduct related to employment or required by state/federal statute shall be removed two (2) years after its placement in the file. An employee may attach comments to any material that is a part of the personnel file.

Section 3.7.

Employees requested to administer medications or perform nursing services shall be provided training and shall have right of refusal without employer reprisal or disciplinary action. Employees must receive the training before they are authorized to deliver the service or medication. Such training will be provided as necessary on an ongoing basis.

Section 4.2.

The Association shall promptly be notified by the District of any grievances or disciplinary actions of any employee in the unit in accordance with the provisions of the discharge and grievance procedure articles contained herein. The Association is entitled to have an observer at hearings conducted by any District official or body arising out of grievance and to make known the Association's views concerning the case.

Section 4.3.

The Association reserves and retains the right to delegate any right or duty contained herein to appropriate officials of the Public School Employees of Washington/SEIU Local 1948 state organization. The Association shall provide all employees a copy of this agreement.

Section 4.4.

The above information shall be supplemented and revised as changes occur and be made available to the Association upon request by the Association president. The Association president shall be promptly notified in the event the District hires a full-

time or a regular part-time classified employee in any of the general job classifications specified in Section 1.3 herein.

Section 4.5.

Representatives of the Association, upon making their presence known to the District, shall have access to the District premises during business hours, provided, that no conferences or meetings between employees and Association representatives will in any way hamper or obstruct the normal flow of work.

ARTICLE V

APPROPRIATE MATTERS FOR CONSULTATION AND NEGOTIATION

Section 5.1.

It is agreed and understood that appropriate matters for consultation between the District and the Association are management/district actions that impact on hours, wages, grievance procedures and general working conditions of employees in the bargaining unit pursuant to RCW 41.56.

Section 5.2.

The Association will, from time to time, as appropriate, be advised of current and predicted workload information and division of the workload within and between school locations.

Section 5.3.

The District agrees to consult with the Association prior to finalization of the school calendar.

ARTICLE VI

ASSOCIATION REPRESENTATION

Section 6.1.

The Association will designate a conference committee of three (3) members who will meet with the superintendent of the District and the superintendent's representatives on a mutually agreeable regular basis to discuss appropriate matters. The parties shall mutually agree to designate the meeting as either "formal" or "informal."

Section 6.1.1.

When formal meetings are held between representatives of the Association and representatives of the District pursuant to Section 6.1., formal minutes shall be prepared if requested by either party. In the event of such request, the District will arrange for the preparation of such minutes and a draft will be made available to the representatives of the Association for review prior to final preparation. The Association will be furnished copies of the completed minutes.

Section 6.2.

The Association representatives shall represent the Association and employees in meeting with officials of the District to discuss appropriate matters of mutual interest. They may receive and

investigate to conclusion complaints or grievances of employees and thereafter advise employees of rights and procedures outlined in this agreement and applicable regulations or directives for resolving the grievances or complaints. They may not, however, continue to advise the employee on courses of action after the employee has indicated a desire not to pursue a grievance. This does not, however, preclude the Association's right to pursue the matter to conclusion. They may consult with the District on complaints without a grievance being made by an individual employee.

Section 6.2.1.

Association representatives, when leaving their work, shall first obtain permission from their immediate supervisor. The supervisor's permission in these instances will normally be granted. The employees will report their return to work to their supervisors.

Section 6.2.2.

Time during working hours may be allowed Association representatives for attendance at meetings with the District. Time may also be allowed for representatives to discuss with the employees' grievances and appropriate matters directly related to work situations in their area or craft. District granted release time shall be made up by the employee concerned, as directed by the District.

ARTICLE VII

HOURS OF WORK AND OVERTIME

Section 7.1.

The workweek shall consist of five (5) consecutive days, Monday through Friday, followed by two (2) consecutive days of rest, Saturday and Sunday; provided, however, the District may assign an employee to a workweek of any five (5) consecutive days which are followed by two (2) consecutive days of rest which shall be treated as Saturday and Sunday in that order.

Section 7.1.1.

Each employee shall be assigned to a definite and regular shift and workweek, which shall not be changed without prior notice to the employee of one (1) calendar week, except that, maintenance may work a flexible workweek, subject to one (1) to three (3) day District notice. Grounds shall work a partial year/day schedule, e.g., less than 260 days and/or eight (8) hours, subject to District notice as practicable.

Section 7.1.2. 4-Day/10-Hour Day Workweek.

At the discretion of the superintendent, while the students are away from school during the summer and spring break, the workweek and shift of each employee in the custodial, maintenance and grounds classification(s) may consist of four (4) consecutive days of ten (10) hours a day, including a thirty (30) minute uninterrupted lunch period as near the middle of the shift as is practicable, and also including a fifteen (15) minute first half and a fifteen (15) minute second half rest period, both of which rest periods shall occur as near the middle of each half shift as is practicable. EXCEPTION: unless otherwise agreed to by a custodial, maintenance or grounds classification employee(s) and the employee's supervisor.

- A. All hours worked on the fifth (5th) consecutive day by employees in the custodial, maintenance, and grounds classification shall be compensated at the rate of one and one-half (1½) times the employee's base pay.
- B. All hours worked on the sixth (6th) and seventh (7th) consecutive days by employees in the custodial, maintenance, and grounds classification shall be compensated at the rate of one and one-half (1½) times the employee's base pay.
- C. Leave benefits will be paid in accordance with the employee's base hour rate applicable to the employee's normal daily work shift at the time the leave is taken. Holiday and personal leave will be paid on a daily basis. Vacation credit shall be accumulated on the basis of an eight (8) hour day and expended on an hourly rather than a daily basis.

Section 7.2.

Employees working an eight (8) hour shift shall receive a first half paid rest break of fifteen (15) minutes, and an uninterrupted, uncompensated, thirty (30) minute lunch period as near the middle of the shift as practicable, and a second half paid rest break of fifteen (15) minutes.

Section 7.2.1.

Employees working a shift of less than eight (8) hours:

- A. Shifts of less than five (5) hours shall receive a fifteen (15) minute paid rest break as near the middle of the shift as practicable.
- B. Shifts of five (5) hours or more shall enjoy an uncompensated thirty (30) minute uninterrupted lunch period as near the middle of the shift as practicable and two (2) fifteen (15) minute paid rest breaks, both of rest breaks shall occur as near the middle of each half shift as practicable.

Section 7.2.2.

Employees required to work through their regular lunch periods will be given time to eat at a time agreed upon by the employee and supervisor. In the event the District requires an employee to forego a lunch period and the employee works the entire shift, including the lunch period, the employee shall be compensated for the foregone lunch period at overtime rates.

Section 7.3.

Employees requested to work a shift regularly filled by a higher classification employee shall receive compensation equal to that normally received by the employee in the higher classification.

Section 7.4.

In the event of an unusual school closure due to inclement weather, plant in operation, or the like, the District will make every effort to notify each employee via home telephone call and local radio announcements to refrain from coming to work. Employees reporting to work shall receive a minimum of two (2) hours pay at base rate in the event of such a closure; provided, however, no employee shall be entitled to any such compensation in the event of actual notification by the District of the closure prior to leaving home for work.

Section 7.4.1. Unscheduled Late Start/Early Release.

Employees will report to work as conditions allow. Employees may use emergency leave or personal leave to cover time loss. With approval from their supervisor, the employee may make other arrangements to make up for all lost work hours. The building administrator will determine what duties the employee can do to make up this time. Employees will record these hours appropriately on their time sheet.

Section 7.5. Overtime.

In the assignment of overtime, the District agrees to provide the employee with as much advance notice as practicable in the circumstances. Normally, employees designated to work overtime on days outside their regular workweek will be advised of the possibility no later than twenty-four (24) hours prior to the end of the last shift before the overtime commences.

Section 7.5.1.

All employees other than bus drivers. All hours worked in excess of forty (40) hours per week shall be compensated at one and one-half (1½) the employee's regular hourly rate of compensation.

Section 7.5.2.

Bus Drivers. All hours worked in excess of forty (40) hours per week (Monday through Sunday) shall be compensated at the rate of one and one-half (1½) times the employee's regular hourly rate of compensation.

In the event a driver has selected, by bid, an extra trip to be driven on either Saturday or Sunday, the driver shall not be eligible for overtime payment (1.5 times the employee's regular hourly rate of compensation) unless the driver's hours of employment for that week (Monday through Sunday) exceed forty (40) hours, in that case, the driver shall be paid overtime for all hours in excess of forty (40) hours.

Section 7.6.

Recognizing that personnel in the bus driver classification present special shift problems, the parties agree that shifts will be established in that classification in relation to the routes and driving times requisite to fulfilling tasks assigned by the District. Bus drivers will receive pay for one-half (½) hour per day for the purpose of bus cleanup, warm-up, and operational checks in addition to the actual hours of driving time for their regular daily shift. A regular daily shift means an a.m. and a p.m. route. If there are thirty (30) minutes or less between assignments, the base hourly rate shall cease at the conclusion of the assignment, providing the assignment ends at the assigned garaging location and will commence at the beginning of the next assignment. All assignments shall begin and end at the assigned garaging location.

Safety meetings and required staff meetings not involving imposition of employee discipline (e.g., investigative meetings with administration, meetings with parents, informational meetings with administrative staff) shall be compensated at the regular hourly rate. Employees shall receive payment for required meetings based upon actual time of attendance, but for not less than one-half (½) hour.

A duty call is defined as any work other than the normal work shift and workday and required

meetings provided for above, noncontiguous with the normal work shift or workday. Drivers shall receive a minimum of one (1) hour's pay for each duty call.

All training and/or certification required by the District, as a condition of continued employment, shall be compensated as hours worked subject to this contractual agreement.

Section 7.6.1. Regular Daily Shift.

On or about September 15 of each instructional year, the bus drivers shall attend a mandatory meeting for the purpose of assigning shifts. Five (5) workdays prior to this meeting the supervisor of transportation shall post all regular routes and indicate the exact route time. Regular morning and afternoon bus routes shall be bid by the drivers on a seniority basis. Regular mid-day routes shall be bid on a seniority basis separately after completion of the regular morning and afternoon route assignments. Drivers shall be guaranteed a minimum shift of two and one-half (2½) hours per day, including the one-half (½) hour for bus cleanup, warm-up, and operational checks. In the event daily time for any bus driver increases or decreases by thirty (30) minutes or more for more than twenty (20) consecutive workdays, shifts shall be rebid as stated in this subsection. From the start of school up to the September 15 annual rebid shift assignments shall be carried over from the end of the previous school year.

Section 7.6.2. Extra Trips.

All trips other than regular daily shifts shall be designated extra trips. Extra trips shall be assigned on a rotating seniority basis. Employees interested in being considered for extra trips shall place their names on a list posted at the beginning of the school year. Employees hired after the beginning of the school year shall be allowed access to extra trips, consistent with this section. The District shall arrange those interested employees in seniority order, EXCEPT THAT: Any driver with less than two (2) years appropriate driving experience shall not be utilized for out-of-district extra trips. The resulting extra trip roster shall be utilized for assignment of extra trips on a rotating basis. Employees that decline an extra trip that is offered in rotational order, shall not be eligible for consideration for subsequent extra trips until their roster position has completed a full cycle of rotation. In the event no driver is available from the extra trip roster, the District shall offer the trip to drivers on the regular seniority driver list, then if no regular employee is available, it shall be assigned to drivers with less than two (2) years driving experience or substitutes.

Section 7.6.3. Selection Of Extra Trips.

Each Wednesday when school is in session, rostered drivers will be given an opportunity to select, by bid, in rostered order, the activity trip they will drive for the succeeding week.

The driver next in rotation order, first established by listing the drivers who want to be on the roster by seniority, shall first select one trip followed by each rostered driver, one trip at a time, until all the extra trips have been selected for that week. In the event an extra trip scheduled conflicts with a regular shift, the driver shall have the right to opt for either trip.

Section 7.6.4.

Exceptions to the rules regarding the Extra Trip rotating roster specified above:

1. In the event an employee was not made aware of an extra trip at least twenty-four (24) hours (to include at least one (1) hour for telephone calls) in advance of the scheduled

departure time: in such cases, the employee shall be offered the next extra trip, notwithstanding the employee has been awarded an extra trip out of rotational order, the employee shall revert to the established seniority order for all subsequent rotational offerings of extra trips.

2. Employees declining two (2) consecutive extra trips will be dropped from the extra trip roster for the remainder of the school year, unless excused for illness or other reasons agreed to by employer or supervisor.
3. The District shall bypass, in seniority order, those drivers whose weekly hours would exceed forty (40) hours if assigned a particular extra trip; EXCEPT, in the event all drivers in rotational order would exceed forty (40) hours, the driver next in rotational order shall be assigned, consistent with Section 7.6.2.
4. In the event an extra trip is canceled, after selection of extra trips, consistent with Section 7.6.3. herein, is completed, the assigned driver will have first selection of an extra trip for the succeeding week and shall receive a minimum of two (2) hours base driving rate.
5. In the event all extra trips have not been selected by bargaining unit bus drivers, the District may utilize substitutes to cover those extra trips. In the event an extra trip(s) is/are not covered, the superintendent may assign (in roster/list order) the trip(s) to the next bus driver on the list specified in Section 7.6.2. herein. The parties agree that this exception to the rules is extraordinary, but necessary to meet the requirements of bona fide educational activities. Regular bus drivers unwilling to accept the terms of this exception to the rules regarding extra trips shall not be eligible for extra trips during the school year.

Section 7.6.5. Compensation For Extra Trips.

- A. Extra trips exceeding one (1) day's duration shall be compensated for all hours of driving and/or duty time, or eight (8) hours pay, whichever is greater, at their regular hourly rate for each twenty-four (24) hour period - commencing with the beginning of the assignment. Drivers shall be subject to the provisions of overtime hereinafter provided.
- B. All other extra trips shall be compensated at the employee's regular hourly rate, subject to the provisions of overtime hereinafter provided, except that; drivers shall be paid standby time for all time at the destination site after the bus is secured and until the bus is made ready for combined operations.
- C. Extra trips of less than thirty-five (35) miles which conflict with regular runs shall be guaranteed two (2) hours at the driving rate or actual driving time, whichever is greater.

Section 7.6.6.

Only state certified employees, classified as bus drivers, employed regularly by the District, meeting all state requirements for a school bus driver, shall be used to drive District school buses unless no such employee is available.

Section 7.7.

Upon approval of the appropriate administrator, employees may choose to take time worked beyond their regular shift as compensatory time instead of pay. Such time accrued as compensatory shall be documented. Compensatory time beyond forty (40) hours per week shall be accrued at the rate of one and one-half (1½) hours for each hour worked. Compensatory time off shall be taken at a time approved by the supervisor within a reasonable period after compensatory time is earned.

The employee shall be entitled to the projected number of days of sick leave at the beginning of the school year. Sick leave benefits shall be paid on the basis of base hourly rate applicable to the employee's normal daily work shift; provided, however, that should an employee's normal daily work shift increase or decrease subsequent to an accumulation of days of sick leave, sick leave benefits will be paid in accordance with his normal daily work shift at the time the sick leave is taken, and the accumulated benefits will be expended on an hourly rather than a daily basis.
