3. Subject to law and the paramount consideration of service to the public, employee-management relations should be improved by providing employees an opportunity for greater participation in the formulation and implementation of policies and procedures affecting the conditions of their employment.
4. Effective employee-management cooperation requires a clear statement of the respective rights and obligations of the parties hereto.
5. It is the intent and purpose of the parties hereto to promote and improve the efficient administration of the District and the well-being of employees within the spirit of the Public Employees Collective Bargaining Act, to establish a basic understanding relative to personnel policies, practices and procedures, and to provide means for amicable discussion and adjustment of matters of mutual interest.

PREAMBLE

This agreement is made and entered into between Raymond School District Number 116 (hereinafter "District" or "Employer"), and the Public School Employees of Raymond, an affiliate of Public School Employees of Washington/SEIU Local 1948 (hereinafter "Union" or "PSE").

In accordance with the provisions of the Public Employees Collective Bargaining Act and regulations promulgated pursuant thereto, and in consideration of the mutual covenants contained therein, the parties agree as follows.

ARTICLE I

RECOGNITION AND COVERAGE OF AGREEMENT

Section 1.1.

The District hereby recognizes the Union as the exclusive representative of all employees in the bargaining unit described in Section 1.4, and the Union recognizes the responsibility of representing the interests of all such employees.

1 **Section 1.2.**

2 Nothing contained herein shall be construed to include in the bargaining unit any person whose duties
3 as deputy, administrative assistant, or secretary necessarily imply a confidential relationship to the
4 board of directors or superintendent of the District, pursuant to RCW 41.56.030 (2).
5

6 **Section 1.3.**

7 The District will provide the Union with such amendments, changes and additions to job descriptions
8 as they may from time to time occur. When substantial or long term changes in job duties occur, the
9 District and Union will discuss the effects of those changes on current job duties.
10

11 **Section 1.4.**

12 The bargaining unit to which this agreement is applicable shall consist of all classified employees in
13 the following general job classifications: custodial-maintenance, food service, sign language
14 interpreter/motor therapy assistant/speech and language pathologist assistant, IT service technician,
15 paraeducators, health nurse, school bus drivers/dispatcher, and secretarial/clerical. Excluded:
16 transportation supervisor, maintenance supervisor, child nutrition services supervisor, superintendent's
17 administrative assistant and fiscal officer.
18

19 **Section 1.5.**

20 All substitute employees who have worked thirty (30) accumulative days in the current or immediately
21 preceding school year and who continues to be available for employment as substitutes shall be
22 included in the bargaining unit. The only sections of the agreement which apply to bargaining unit
23 substitutes are: Sections 3.3, 6.2, 6.2.1, 6.3, 7.5, and salary based on the position pay at appropriate
24 experience level per Schedule A. The provisions stated in this subsection shall be the sole provisions
25 of the agreement applicable to bargaining unit substitutes.
26

27 A regular substitute is any employee who does not hold a regular full-time position with the District
28 but has completed the required training to be eligible to work. Regular substitutes will be included
29 within the bargaining unit.
30

31 **Section 1.7. Equity, Diversity and Inclusion.**

32 The Employer and the Union are committed to a policy of equal employment opportunity. All staff
33 members will be treated fairly at all times and without regard to race, color, religion, sex, age, national
34 origin, military or marital status, sexual orientation, gender identity, political ideology, genetic
35 information or disability, and any other basis protected by local, state, or federal law. This applies to
36 all personnel actions including recruitment, hiring, training, transfer, promotion and demotion, layoff
37 and recall, compensation and benefits, discipline, termination and all other conditions or privileges of
38 employment.
39

40 **Section 1.8. Harassment.**

41 The Employer is committed to providing a work environment free from unlawful harassment. The
42 Employer will not tolerate actions, words, jokes or comments based on an individual's sex, race,
43 ethnicity, age, religion, sexual orientation, or any other legally protected characteristic. Any employee,
44 supervisor, or bargaining unit member engaging in sexual or other unlawful harassment will be subject
45 to appropriate corrective action, up to and including termination of employment.

ARTICLE II

RIGHTS OF THE EMPLOYER

Section 2.1.

It is agreed that the customary and usual rights, powers, functions, and authority of management are vested in management officials of the District. Included in these rights, in accordance with and subject to applicable laws, regulations, and the provisions of this agreement, is the right to direct the work force, the right to hire, promote, retain, transfer and assign employees in positions; the right to suspend, discharge, demote, or take other disciplinary action against employees; and the right to release employees from duties because of lack of work or for other legitimate reasons. The District shall retain the right to maintain efficiency of the District operation by determining the methods, the means, and the personnel by which such operation is conducted.

Section 2.2.

The right to make reasonable rules and regulations shall be considered acknowledged functions of the District. In making rules and regulations relating to personnel policies, procedures and practices, and matters of working conditions, the District shall give due regard and consideration to the rights of the Union and the employees and to the obligations imposed by this agreement. The board sets policy unless there is a conflict with the collective bargaining agreement, at which time the bargaining agreement takes precedent.

Section 2.3.

The District agrees to not subcontract work currently performed by members of the bargaining unit pursuant to Section 1.4 of the agreement. The immediately preceding sentence does not limit the District from subcontracting work associated with activities not customarily performed by the bargaining unit such as, but not limited to, capital improvement projects.

ARTICLE III

RIGHTS OF EMPLOYEES

Section 3.1.

It is agreed that all employees subject to this agreement shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist the Union. The freedom of such employees to assist the Union shall be recognized as extending to participation in the management of the Union, including presentation of the views of the Union to the board of directors of the District or any other governmental body, group, or individual, realizing that every effort shall be made to follow the established chain of command. The District shall neither encourage nor discourage membership in any employee organization.

Section 3.2.

Each employee shall have the right to bring matters of personal concern to the attention of appropriate Union representatives and/or appropriate officials of the District.

1 **Section 3.3.**

2 Employees of the units subject to this agreement have the right to have Union representatives or other
3 persons present at discussions between themselves and supervisors or other representatives of the
4 District as hereinafter provided. Employees have the right to Union representation at investigatory
5 interviews conducted by the District when the employee reasonably believes that discipline could
6 result.

7
8 **Section 3.4.**

9 Each employee shall be provided a copy of all material placed in his or her personnel file upon
10 insertion. An employee may attach comments to any material that is a part of the personnel file.

11
12 There shall be only one (1) official personnel file for each employee. Said files shall be kept in the
13 District superintendent's office. Each employee shall have the right upon request, and after making an
14 appointment for that purpose with the personnel administrator, to review the contents of his/her official
15 personnel file. The review shall be made in the presence of the staff member responsible for
16 safekeeping of these files. During the review employees shall be allowed to copy any material therein
17 and shall be permitted to make a written inventory of material there, and, on request, have such
18 inventory signed and dated by a representative of the administration. Negative materials, other than
19 that contained in the annual evaluations, will be deleted from the employee's file three years after entry
20 **upon request** if no other instance of a like nature takes place in the three year period.

21
22 **Statement of Intent.** The proposed personnel file provision in no way prohibits supervisors from
23 maintaining working files kept in their offices. Working files would have no official relevance other
24 than for record keeping purposes.

25
26 **Section 3.5.**

27 Pursuant to RCW 28A.210, classified employees requested to administer medications or perform
28 nursing services shall be provided training and shall have right of refusal without employer reprisal or
29 disciplinary action. Employees must receive the training before they are authorized to deliver the
30 service or medication. Such training will be provided as necessary on an ongoing basis.

31
32
33
34 **ARTICLE IV**

35
36 **RIGHTS OF THE UNION**

37
38 **Section 4.1.**

39 The Union has the right and responsibility to represent the interests of all employees in the unit; to
40 present its views to the District on matters of concern, either orally or in writing; and to enter collective
41 negotiations with the object of reaching an agreement applicable to all employees within the
42 bargaining unit.

43
44 **Section 4.2.**

45 The Union shall promptly be notified by the District of any grievances or disciplinary actions of any
46 employee in the unit in accordance with the provisions of the discharge and grievance procedure
47 articles contained herein. The Union is entitled to have an observer at hearings conducted by any

District official or body arising out of grievance and to make known the Union's views concerning the case.

Section 4.3.

The Union reserves and retains the right to delegate any right or duty contained herein, within the scope of statute, to appropriate officials of the Public School Employees of Washington/SEIU Local 1948 state organization.

Section 4.4.

For the mutual benefits of both parties, discussion of union/management issues is an acceptable practice.

Section 4.5.

The president of the Union and his/her designated representatives may be provided time off without loss of pay to a maximum of six (6) days per year to attend local, regional or state meetings when the purpose of those meetings is in the best interests of the District as determined by the District administration. The Union will pay the cost of the substitute.

Section 4.6.

Bulletin boards will be provided for union use in each school and in the bus garage.

Section 4.7. New Employee/Member Orientation.

Effective June 7, 2018, the District will provide the union a thirty-minute meeting during the bargaining unit employees work time within one week of their hire date. The president of the Union or designee shall be granted time off without loss of pay to conduct this meeting. This time shall not be deducted from the leave outlined in Art. IV, Sec 4.5. The Union shall pay the cost of a substitute, if necessary.

ARTICLE V

APPROPRIATE MATTERS FOR CONSULTATION AND NEGOTIATION

Section 5.1.

It is agreed and understood that matters appropriate for consultation and negotiation between the District and the Union are: policies, programs and procedures relating to or affecting hours, wages, grievance procedures and general working conditions of employees in the bargaining unit subject to this agreement.

Section 5.2.

The Union will designate a conference committee which will meet regularly with the superintendent of the District and the superintendent's representatives on a mutually agreeable basis to discuss appropriate concerns. Appropriate matters of concern shall first have been discussed with the immediate supervisor by the concerned individual(s) before being brought to the conference committee meeting.

1 **Section 5.3.**

2 The District agrees to provide the Union an opportunity to present input to the District board of
3 directors on principal requests for statutory or regulatory waivers prior to final board action.
4

5 **Section 5.4.**

6 All employees subject to this agreement shall be evaluated annually by their supervisor utilizing the
7 District job descriptions and the evaluation criteria and form Appendix B. If, after receiving an
8 evaluation, the employee would like a face-to-face meeting, the employee will make such a request by
9 turning in the evaluation and requesting such a meeting. This request must be received within three (3)
10 work days of receiving the evaluation. If an evaluation contains any Requires Improvement (RI) or
11 Unsatisfactory (U) ratings the supervisor will initiate a face-to-face meeting with the employee prior to
12 passing out the evaluation. Each employee will be provided a job description at the beginning of each
13 school year.
14

15 **Section 5.5.**

16 The District supports the principle of cross-training which may be discussed during the evaluation
17 process. (See the attached Appendix C, Cross-Training form.) When an employee will be absent for
18 ten (10) or more scheduled work days, said position will be posted and made available for cross-
19 training purposes each day the employee is absent.
20

21 **Section 5.6.**

22 The District, the PSE and the REA shall confer together concerning the preferred calendar prior to the
23 submission to the board of the recommended calendar(s). Such discussions will begin no later than
24 February 1st.
25
26
27

28 **ARTICLE VI**

29 **HOURS OF WORK AND OVERTIME**

30 **Section 6.1.**

31 Each employee will be assigned in advance to a definite work year with designated times of beginning
32 and ending; provided, that the employer may change the existing work year in case of emergency
33 without prior notice, by mutual agreement with the employee, and in any other case by five (5) days
34 written notice to the employee. (See attached Appendix D, Employee Benefit Election form.)
35
36
37

38 **Section 6.2.**

39 The normal workweek shall consist of five (5) consecutive workdays, Monday through Friday, unless
40 regularly scheduled school vacations or holidays fall within this period; provided, however, exceptions
41 may be made upon mutual agreement between the employee and supervisor.
42

43 **Section 6.2.1.**

44 Employees working in excess of five (5) hours per day shall receive a thirty (30) minute
45 uncompensated, uninterrupted duty free lunch period as near the middle of the shift as is
46 practicable, also including a fifteen (15) minute first half and a fifteen (15) minute second half
47 compensated rest period, both of which rest periods shall occur as near the middle of each half
48 shift as is practicable.

Section 6.2.2.

Food service employees may, on an individual basis, waive the uncompensated uninterrupted duty free lunch break specified in Section 6.2.1.

Section 6.3.

Employees assigned to a shift of less than five (5) hours but more than three (3) hours shall receive a compensated fifteen (15) minute rest period as near the mid-point of the shift as practicable.

Section 6.4.

Required employee staff and training meetings called at the off-shift hours will be paid at the regular hourly rate for all time in attendance and will be reimbursed for any tuition or expenses incurred in any District or State required training program. This section will not preclude the District from providing voluntary training meetings without pay.

Section 6.5.

Employees requested to work a shift or portion of a shift regularly filled by a higher paid position within the bargaining unit shall be paid at their incremental step at the higher paid position rate for the time worked in that position.

Section 6.6.

The District recognizes the benefits of offering training opportunities to its employees in order to achieve a higher level of individual competence and quality of work performance. Each year of this agreement, the District shall make a minimum of \$4,000 available to the employees subject to this agreement for costs exclusive of regular hourly compensation associated with employee requested professional development training. Such payment and/or reimbursement shall be limited to \$300 per employee per year on a first come first serve basis. In the event the \$4,000 is not completely utilized by June 1 of each year, employees shall, on a first come first serve basis, receive payment and/or reimbursement beyond the \$300 limit referred to in the immediately preceding sentence. Any funds as stated in this section not used in any particular year shall be carried over (to a maximum of \$8,000) into the following fiscal year. Funding sources shall include District funds, state and federal categorical programs, legislative funding, grants and other available funds. Such monies shall not be used for substitute costs.

When a member of the bargaining unit desires to access these funds, the member will request the training through the principal or supervisor and, at the same time, notify the chapter president. It shall be the responsibility of the PSE president to keep track of such requests. The District will provide to the chapter president, on a monthly basis, an account of fund expenditures.

Section 6.7.

Any employee working or compensated for more than forty (40) hours per week shall be compensated at the rate of one and one-half (1½) times the employee's base hourly rate. Paid holidays shall be considered hours worked.

Section 6.8.

The superintendent or designee shall authorize all overtime. Comp time will be allowed per District policy.

1 **Section 6.9.**

2 Employees called back on a regular workday or called on the sixth (6th) or seventh (7th) consecutive
3 workday shall receive no less than two (2) hours duty call at the appropriate hourly rate. This section
4 does not apply to scheduled work.

5
6 **Section 6.10.**

7 All employees who work alone at night, with no other employee nearby, shall be provided an
8 emergency device to notify someone of a problem. All employees driving District vehicles outside the
9 District are required to have a cellular phone. This includes weekends.

10
11 **Section 6.11.**

12 Employees will be allowed to substitute for other employees within the same job category on a long-
13 term absence (longer than 10 work days) provided their hours are increased by thirty (30) or more
14 minutes per day.

15
16 **Section 6.12. Inclement Weather and Other Emergency School Closures.**

17 In the event of an unusual district and/or school closure, including late start or early release, due to
18 inclement weather, plant inoperation or the like, the District will make every effort to notify each
19 employee to refrain from coming to work. Employees reporting to work shall receive a minimum of
20 one (1) hour's pay at base rate in the event of such a closure; provided, however, no employee shall be
21 entitled to any such compensation in the event he/she has been actually notified of the closure prior to
22 leaving home for work. Documented attempts to reach the employee at the telephone number on
23 record shall constitute proper notice. Should an employee not receive a robo call, they shall notify the
24 district office that same day.

25
26 If there is a 2-hour delay, employees may either lose the 2 hours in pay or earn the lost 2 hours back by
27 doing one of the following:

- 28 • Take an approved training course on-line
- 29 • Work with a teacher or supervisor to prepare intervention/classroom materials
- 30 • Work with a supervisor to plan for those hours

31
32 **Section 6.13. Secretaries.**

33 Secretaries that are required to work 10 days before the first day of school and 10 days after the last
34 day of school, will document any accrued compensation time, accrued during the current school year,
35 as approved by the supervisor. Any compensation time not used will be cashed out by the end of the
36 current school year.

ARTICLE VII

TRANSPORTATION

Section 7.1. Transportation Definitions.

Regular Routes: Transportation of students to and from school based on a daily schedule.

Extra Trips: Trips which are other than the regular routes.

Section 7.2.

Recognizing that bus drivers present special shift problems, the parties agree that shifts shall be established in relation to routes and driving times requisite to fulfilling tasks assigned by the transportation supervisor. Bidding for the routes at the beginning of the school year is based on seniority. All bus drivers shall receive one-quarter (¼) hour per morning, mid-day and afternoon route, in addition to actual hours of driving time, for the purpose of pre-trip, post-trip, fueling and clean-up. Bus drivers shall receive a minimum of three (3) hours pay per day for regular routes, including pre-trip, post-trip, fueling and clean-up. Drivers shall be in work status during that time. Midday runs will be paid a minimum of 1 ¾ hours per day, including pre-trip and post trip.

Section 7.2.1.

The dispatcher may bid on and drive extra trips if no regular drivers (not substitutes) are available.

Section 7.2.2.

Bus drivers shall receive a minimum of two (2) hour compensation for each duty call. Should a driver be called in before or after their shift, time will continue but there will be no pyramiding.

Section 7.2.3.

In the event a regular bus driver is scheduled to be absent for five (5) or more consecutive workdays, the District shall offer the resulting temporary regular run assignment to the most senior bus driver and continue in this manner through all regular non-probationary bus drivers. When the absent driver returns to duty, the previously held regular run assignments shall be reinstated. In the event no regular non-probationary bus driver is available, the District shall have the right to assign the work specified in the two (2) immediately preceding sentences to probationary and substitute bus drivers.

Section 7.3.

The following shall apply to all extra trips.

Section 7.3.1.

Extra trips as defined in Section 7.1 shall be compensated for at the rates shown in Schedule A. Time permitting, extra trips will be posted prior to the run. Whenever possible, no employee shall bid the extra trips for which overtime would have to be paid. During extra trips the driver shall be responsible for the safeguard of the bus. The employee shall check the bus every half-hour for security reasons.

1 **Section 7.3.2.**

2 Rotation rosters shall be maintained which will consist of those drivers having completed their
3 probationary period and who sign up to be placed on all rosters. The rosters shall be arranged
4 each year within ten (10) working days following the start of the school year by the seniority of
5 the drivers who sign up for such trips. The rotation rosters shall be available for all employees
6 upon request. New drivers who sign up will be placed at the bottom of the rotation rosters at
7 the conclusion of their probationary period. Drivers also have the option of requesting their
8 names be eliminated from the rotation rosters. Drivers may have their names reinstated to the
9 rotation roster, but their names will be placed at the bottom of the rotation as it appears on the
10 date they requested reinstatement. These procedures are based on the principle of the
11 transportation supervisor and drivers working cooperatively.
12

13 **Section 7.3.3.**

14 The last school day of each week at 8:30 a.m. (may be varied up to one-half hour by prior
15 mutual consent of the supervisor and the drivers on the rotation list) when school is in session,
16 rostered drivers will be given an opportunity to select, by bid, in rostered order, commencing at
17 the point of the previous week, the activity trips they will drive for the succeeding week. Once
18 a trip is agreed to, the driver is responsible for meeting the schedule of the extra trip. Failure to
19 make an accepted trip will result in the driver being dropped from the list for the next three (3)
20 weeks, except in cases of illness of the driver or when illness in the bus driver's immediate
21 family necessitates his/her absence from work during the extra trip time; in such case the trip
22 shall be offered to the next eligible driver on the appropriate list. There shall be no trading of
23 activity trips. Drivers must be present to bid for extra trips, except drivers may bid by proxy in
24 the event they are not able to attend the bidding meeting due to District work. Any trip not
25 accepted at this meeting may be assigned to substitute drivers at the discretion of the District.
26 Should all regular drivers pass a trip, at the next bid meeting the bid will start at the top of the
27 rotation roster. Time used for this meeting will not be compensated.
28

29 **Section 7.3.3.1.**

30 There will be four separate rotating rosters for extra trips, appoint, mid-day and in-
31 district. Drivers who sign up for mid-day routes must know all mid-day routes.
32

33 **Section 7.3.4.**

34 If an extra trip should be canceled, the driver's name assigned to the extra trip shall be placed at
35 the top of the rotation roster for the next Section 7.3.3 meeting. If the trip is rescheduled for the
36 current or following week, the driver has the option of keeping the trip.
37

38 **Section 7.3.5.**

39 All extra trips shall be compensated at the employee's regular base hourly rate for all trip time
40 according to Schedule A, subject to the overtime provisions of Section 6.7. However, every
41 precaution will be taken by BOTH the driver and the transportation supervisor to prevent any
42 driver from driving over forty (40) hours per week except in emergency situations. This may
43 include arranging for a substitute for regular trips if an activity would cause the employee to
44 exceed the forty (40) hours per week. The forty (40) hour maximum will supersede the rotation
45 roster for extra trips.

Section 8.1. Vacations.

2022 – 2026 Collective Bargaining Agreement
PSE of Raymond / Raymond School District #116

Section 8.1.1. Vacation For Twelve Month Employees.

Upon completion of the first year of employment with the District each twelve (12) month employee will receive ten (10) days paid vacation each year. After completion of five (5) years of employment with the District each twelve (12) month employee will receive fifteen (15) days paid vacation each year. After completion of ten (10) years of employment with the District each twelve (12) month employee will receive twenty (20) days paid vacation each year. After completion of twenty (20) years of employment with the District each twelve (12) month employee will receive twenty-five (25) days paid vacation each year.

All twelve (12) month employees will schedule at least half (½) of their vacation during the summer months when school is not in session. For employees receiving twenty-five (25) days paid vacation per year, five (5) days shall be during the student school year and twenty (20) days shall be during non-student days; provided, they will also be allowed to use an additional one (1) day of their accrued vacation during mid-winter break and spring break for a total of six (6) days of vacation during the student school year. For twelve (12) month employees, vacation scheduled during the school year must be planned in advance with the employee's supervisor. It is recognized that no more than two (2) custodians will have a right to be gone at a time without supervisor approval during the summer break period and seniority will govern vacation/time off preference during the summer break period. 19

20 **Section 9.1.2. Sick Leave Utilization.**

21 Employees must notify their supervisor of pending absence at the earliest possible time in order
22 that arrangements can be made for reassignment of their duties. Notice of pending return also
23 must be given as early as possible to prevent unnecessary duplication of cost and service should
24 such service be provided. Accumulated leave will be available for utilization as needed;
25 provided, however, that in instances of extended absence, beyond three (3) consecutive

44 member who otherwise would have to take leave without pay or terminate his or her
45 employment with the District. The superintendent is directed to establish procedures for staff
46 members who accrue annual leave and for staff members who do not earn annual leave, but
47 who accrue leave to be used for illnesses, injuries, or sharing plan in a manner consistent with

Employees who must be absent for judicial proceedings as parties will be entitled to request personal leave, if available, or will be granted leave without pay, unless said employees are named as codefendants with the District, in which case said employees will be granted leave with normal pay.

PROBATION, SENIORITY AND LAYOFF PROCEDURES

Section 10.1.

The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began continuous daily employment (hereinafter "hire date"), unless such seniority shall be lost as hereinafter provided.

Section 10.1.1. Seniority Ties.

Seniority ties shall be broken by the flip of a coin in the presence of the employees and a representative of the union, the coin toss to be held within thirty (30) days of hire.

Section 10.2.

Each new hire shall remain in a probationary status for a period of not more than sixty (60) actual workdays in paid status following the hire date. During this probationary period, the District may discharge such employee at its pleasure.

Section 10.3.

Upon completion of the probationary period, the employee will be subject to all rights and duties contained in this agreement retroactive to the hire date.

Section 10.4.

If after thirty (30) probationary workdays it is determined by the employee's supervisor that an employee who has received a promotion or who has been assigned to a new or open job or position in the bargaining unit does not have the ability or qualifications to fulfill the job requirements, the District shall set forth in writing to the employee and the organization's grievance committee chair its reasons why the employee is not qualified and the employee shall then be reassigned to his/her prior position.

Section 10.5.

The seniority rights of an employee shall be lost for the following reasons:

- A. Resignation;
- B. Discharge for justifiable cause;
- C. Retirement; or
- D. Change in job classification within the bargaining unit, as hereinafter provided.

Section 10.6.

Seniority rights shall not be lost for the following reasons, without limitation:

5 layoff, the one (1) year referred to in the immediately preceding sentence shall be extended up
6 to two (2) additional years.

7
8 **Section 10.8.**

9 The employee with the earliest hire date shall have preferential rights regarding shift selection,
10 overtime, vacation periods, filling of open job assignments, transfers to new or open positions,
11 promotions, and layoffs. If the District determines that seniority rights should not govern because a
12 junior employee possesses ability and performance greater than a senior employee or senior
13 employees, the District shall set forth in writing to the employee or employees its reasons why the
14 senior employee or employees have been bypassed.

15
16 **Section 10.8.1.**

23 building for five (5) days. The District shall mail or deliver to the chapter president a copy of all job
24 postings. During the summer, such job postings will also be emailed to the membership and posted on
25 the district web site. Employees who give notice prior to the beginning of the summer break will be
26 given notice of job openings by the auto dialer, however, failure of an employee to be notified by the
27 auto dialer due to technical difficulties will not be grievable. Employees shall have five (5) working
28 days to respond to the opening before anyone outside of the bargaining unit is hired.

32 (duties, time or placement) the impacted employee or employees shall have the right to accept
33 the assignment or bump any junior employee in their job classification. Such bumping is
34 subject to the criteria set forth in 10.8.

35
36 In the event of a layoff, the District and the Union shall agree to meet for the purpose of
37 determining assignments and on how the bumping process will be handled. If it is determined
38 that a large portion of the membership needs to meet, there will be an informational meeting.
39 The superintendent will host this meeting in order to discuss the situation. All PSE members as
40 well as the PSE representative will be invited. The superintendent will describe the District's
41 plan and distribute seniority lists. The group will be given the opportunity to ask questions of
42 anyone in attendance so that all attendees will leave the meeting with as complete an
43 understanding as possible of what the possibilities are.

44
45 A second meeting will be held two (2) working days later. The purpose of this meeting is to
46 answer final questions and begin the "bumping" process, allowing up to ten (10) calendar days
47 to complete.

Section 10.10.

In the event of layoff, employees so affected are to be placed on a reemployment list maintained by the District according to layoff ranking based on seniority. Such employees are to have priority over non-employees in filling an opening in the classification held immediately prior to layoff. Section 10.13.

The District will provide the Association with advance notice and reasonable opportunity to bargain layoffs and/or reductions in hours. In emergent situations, as currently provided by law, the District will negotiate these matters with the Association as soon after implementation is possible. It is the responsibility of those in layoff status to apply for available new or open positions. Employees on layoff status shall file their address, phone number and email address (if applicable) in writing with the personnel office of the District and shall thereafter promptly advise the District in writing of any change of address.

Section 10.14.

An employee shall forfeit rights to reemployment if the employee does not comply with the requirements of this CBA, or if the employee does not respond to the offer of comparable reemployment within ten (10) workdays. At any meeting held between an employee and a supervisor which could result in discipline, the employee will be provided the opportunity for union representation.

19 custodians who sign up will be placed at the bottom of the rotation roster at the conclusion of their
20 probationary period. Custodians also have the option of requesting their names be eliminated from the
21 rotation roster. Custodians may have their names reinstated to the rotation roster, but their names will

30 agreed to, the custodian is responsible for meeting the schedule of the extra activity. Failure to make
31 an accepted activity will result in the custodian being dropped from the list for the next three (3)
32 weeks, except in cases of illness of the custodian or when illness in the custodian's immediate family
33 necessitates his/her absence from work during the extra activity time. In such cases the activity shall
34 be offered to the next eligible custodian on the appropriate list. There shall be no trading of facility

40 be compensated.
41

42 **Section 21.3.**

43 There will be two separate rotating rosters, one for extra activities and the other by appointment.

ADDITIONAL PAY FOR CREDITS/CLOCK HOURS EARNED

Any employee may seek to improve his/her earning position by taking classes and workshops approved by the District. Credits or clock hours earned may be applied to the following schedule for salary enhancement. The stated salary increase will be applied to the base salary amount.

Any errors or omissions not corrected by that date will not be considered for additional pay in the future.
