Informational: Lead Office Professionals includes all Building Lead Office Professionals and those working in departments as identified below:

• Director's Office Professional, Financial Services, Purchasing, Vocational Education, Student Services, Facilities Coordinator, Special Education, Teaching & Learning

Substitute wages are at ninety-five percent (95%) of Step 1 on the appropriate level on schedule A.

Retired Office Professionals returning to substitute are paid at one hundred percent (100%) of Step 1 on the appropriate level on Schedule A.

The District will fund incremental steps for the entire term of the contract.

Longevity

The District shall provide a three percent (3%) longevity incentive for all employees on their anniversary date at six (6), ten (10), fifteen (15), twenty (20), twenty-five (25).

New hires will serve a probationary period of ninety (90) workdays. There shall be no changes in the above salary schedule, and no employee shall be moved to a lower salary rate during the term of this Agreement, unless mutually agreed to by both the District and the Association.

Office Professionals positions are established either on a full year (twelve [12] month) or on a part year (ten [10] month) basis. The ten (10) month position involves two hundred and five (205) workdays; the annual salary is computed to include prorated vacation days and holidays falling within the months worked. Since employees in twelve (12) month positions are on full-time duty, the number of worked days required of each twelve (12) month employee is governed by the number of holidays occurring during the year and the number of days of vacation to which the employee is entitled under the adopted policies relating to annual paid vacation.

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING SETS FORTH THE FOLLOWING AGREEMENT BETWEEN PUBLIC SCHOOL EMPLOYEES OF WASHINGTON / SEIU LOCAL 1948, THE RICHLAND OP CHAPTER AND THE RICHLAND SCHOOL DISTRICT #400 PURSUANT TO ARTICLE XXIV, SECTION 24.3. OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

9 Whereas RCW 28A.400.300 states:

When any certificated or classified employee leaves one school district within the state and 11 commences employment with another school district within the state, the employee shall retain 12 the same seniority, leave benefits and other benefits that the employee had in his or her 13 previous position. However, classified employees who transfer between districts after July 28, 14 1985, shall not retain any seniority rights other than longevity when leaving one school district 15 and beginning employment with another. If the school district to which the person transfers has 16 a different system for computing seniority, leave benefits, and other benefits, then the employee 17 shall be granted the same seniority, leave benefits and other benefits as a person in that district 18 who has similar occupational status and total years of service. 19

21 Whereas, the Richland School District has historically paid longevity payments to members of the 22 bargaining unit based solely on years of service with the Richland School District; and

Whereas, the parties modified their CBA to apply longevity payments effective September 1, 2023 to employees who transfer or previously transferred to Richland School District from another Washington State school district:

Employees who transfer from one (1) Washington State School District to another shall be placed on the Step and Longevity comparable to their years of service within a school district as provided in RCW 28A.400.300. When an employee leaves one public school district within the state and commences employment with the Richland School District, the employee shall be granted salary schedule placement and sick leave as required by RCW 28A.400.300.

Whereas, the District and Association wish to clarify how much of a lapse in school district employment, if any, will be permitted in order for an employee to retain longevity placement as a transfer.

39 Now, therefore, the District and Association hereby agree that an employee who leaves another 40 Washington school district and commences regular classified employment with the Richland School 41 District within ninety (90) calendar days will retain their School District experience for purposes of 42 longevity pay. Such employees who were employed in a district in a different position or where there 43 was a different means of calculating experience will receive credit as if their experience was gained at 44 Richland School District. The District will also credit prior longevity for any regular RSD classified 45 employee who terminates employment if they are re-employed by the District within ninety (90) days 46 of termination. If an employee with prior District or other Washington school district experience is not 47 hired within ninety (90) days of their termination but has been applying for positions and/or 48

SCHEDULE A RICHLAND SCHOOL DISTRICT #400 RICHLAND ASSOCIATION OF EDUCATIONAL OFFICE PERSONNEL SEPTEMBER 1, 2024 - AUGUST 31, 2025

Substitute wages are at ninety-five percent (95%) of Step 1 on the appropriate Level on Schedule A.

Retired Secretaries returning to substitute are paid at one hundred percent (100%) of Step 1 on the appropriate Level on Schedule A.

The District will fund incremental Steps for the entire term of the Contract.

<u>Longevity</u>

The District shall provide a three percent (3%) longevity incentive for all employees on their anniversary date at six (6), ten (10), fifteen (15), twenty (20), twenty-five (25) thirty (30) or more years of service.

New hires will serve a probationary period of ninety (90) workdays. There shall be no changes in the above salary schedule, and no employee shall be moved to a lower salary rate during the term of this Agreement, unless mutually agreed to by both the District and the Association.

Secretarial and Bookkeeping positions are established either on a full year (twelve [12]-month) or on a part year (ten [10]-month) basis. The ten (10)-month position involves two hundred five (205) workdays; the annual salary is computed to include prorated vacation days and holidays falling within the months worked. Since employees in twelve (12)-month positions are on full-time duty, the number of worked days required of each twelve (12)-month employee is governed by the number of holidays occurring during the year and the number of days of vacation to which the employee is entitled under the adopted policies relating to annual paid vacation.

Should the state fund a cost-of-living allowance (COLA) during the life of this Contract, the District will pass along the greater of the salary allocation in Schedule A or the COLA, not both.

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING SETS FORTH THE FOLLOWING AGREEMENT BETWEEN PUBLIC SCHOOL EMPLOYEES OF WASHINGTON / SEIU LOCAL 1948, THE RICHLAND OP CHAPTER AND THE RICHLAND SCHOOL DISTRICT #400 PURSUANT TO ARTICLE XX, SECTION 20.7 OF THE CURRENT COLLECTIVE BARGAINING AGREEMENT. The parties agree on the following Annual Review for the Reclassification Process Section 20.7. Reclassification Process. The parties agree to negotiate a process to identify the placement of all new positions (i.e., vacant, newly established, filled) and to objectively identify when a position needs to be reclassified to a different level on the salary schedule. The decision of the reclassification committee shall be final and there shall be no grievances of reclassification decisions. An MOU will be negotiated annually throughout the term of this contract beginning the 2023-2024 school year and permanent language will be negotiated in the next agreement. Effective September 1, 2024. Positions (i.e., vacant, newly established, filled) are all classified and placed on the salary schedule based on an evaluation of the duties, responsibilities, scope, impact, and minimum qualifications of the position. A position is eligible for a reclassification review when there has been an authorized and necessary significant increase in that position's scope, impact, complexity, responsibilities, and accountability such that the incumbent is required to exercise greater judgment and discretion, and to rely on a larger and more specific skill set than previously necessary in order to perform the work successfully. An employee who believes such a change has occurred may request a review of their classification or pay step by following the Reclassification Process Outlined in "Appendix C." The Reclassification Committee shall follow the guidelines outlined in "Appendix A and B."

APPENDIX A – RECLASSIFICATION COMMITTEE

Reclassification Committee Meeting Ground Rules:

- The Reclassification Committee shall consist of ten (10) members (five [5] members representing the District and five [5] Members representing Richland OP)
- Need eight (8) members to constitute a quorum. (can miss one [1] from each side)
- Must have same number voting members on both teams (District/Union).
- Objective, data-driven analysis of current job descriptions and analysis materials from the Job Description Project.
- The Committee shall make decisions using interest-based decision making.
- Committee members shall focus on the position and not the person.
- Members must keep all discussions and decisions confidential until agreed upon written communication has been distributed.
- Members will focus on listening to each other and those seeking reclassification.
- Members must have the ability to separate personal agendas.
- Collaborative open-minded discussion informed by mutual respect.

Reclassification Process

The purpose of a reclassification request is to determine if a position is (based on responsibility and skills needed to perform required duties) appropriately placed on the salary schedule. This process does not change the salaries provided within an individual classification.

Within the current Richland OP salary schedule, positions may be classified within Levels 1,2,3, or 4.

Under the current process, reclassifications can occur when:

- A major function has been added or removed from the position that changes the level of responsibility or skills required.
- The position requires significantly higher levels of knowledge or skills than the current job description.
- The position requires a higher level of responsibility in decision making or a higher level of authority not in the present level.
- The position requires the employee to provide guidance, training, and/or give direction to staff, students, and others, with a level of autonomy or responsibility greater than others in the present classification.

Reclassifications are conducted based upon positions and not the individuals in the position. A reclassification should be submitted collectively when the position exists in multiple locations. All individuals serving in a position should be performing the same duties as others in the same position in other buildings.

Reassessments are also based on the position individually and not in comparison to other positions within Richland OP. Consideration to other positions should not be taken into account when assessing an individual position.

Employees who have requested reclassification will complete and submit the reclassification request form. Principals/supervisors are responsible for reviewing reassessment requests and either ensure position duties are in alignment with the job description or approving the request for submitting the position for reassessment. Principal/supervisor feedback will be utilized when needed for clarification during assessments.

FREQUENTLY ASKED QUESTIONS

Q. If I want a pay increase, do I have to submit a reclassification request?

A. No. Pay increases are determined through contract negotiations. The purpose of a reclassification request is to determine if a position is, based on responsibility and skills needed to perform required duties, appropriately placed on the salary schedule when compared to other positions in the Richland School District.

Q. When a reclassification request has been submitted by an employee, is this the only time placement on the salary schedule is reviewed?

A. No. Whenever management changes a job description, the placement on the salary schedule is routinely reviewed. However, if an employee feels that their current job description needs to be updated and that their position is not placed at the appropriate level on the salary schedule, they may submit a reclassification request.

Q. How do I request a position be reclassified?

A. Follow the process and guidelines.

Q. How do I determine whether to file as a group or separately?

A. If you have jobs alike, file as a group. If you have a single request, file separately.

Q. How do I submit my request for reclassification?

A. Submit it to your Union President after review and discussions with your supervisor.

Q. Who do I contact if I have questions on filling out the request?

A. Contact your Union President.

Q. Will I be interviewed?

A. Yes, you will be notified a week before the reclassification review committee meets with a date and time to be present to explain your request and to ask you clarifying questions about your request.

Q. Do I need to get my supervisor's approval before submitting my request?

A. No, however, it is required that you discuss it first with your supervisor as per the reclassification guidelines. His/her signature on the submitted reclassification request form indicates that you informed him/her of your plan to submit the reclassification request.

Q. Will my immediate supervisor be interviewed?

A. Most likely an interview will be necessary to provide clarification as needed.

Q. How long will it take for me to know if my request has been approved?

A. Before the start of the upcoming school year at the latest.

Q. Who determines if my request will be approved?

A. The joint assessment committee (which consists of both Richland OP and District Administrators) will review your request, compare the position to other positions in the district, and make a recommendation to the superintendent through a Letter of Agreement.

Q. If my request is denied, does that mean the district feels my work isn't as important as other positions, or that I'm not doing a good job?

A. No! Every position is important, and each employee is valued for their contribution to the district. It is important to remember that a reclassification is based on the job description and the duties performed; not on the employees holding the position.
