Declarations of Principles are intended to set forth the basis for the collective bargaining relationship between the parties and are not subject to the grievance procedure contained in this Agreement.

The efficient administration of the system of public instruction and well-being of employees requires that orderly and constructive relationships be maintained between the parties hereto.

Effective employee-management cooperation requires a clear statement of the respective rights and obligations of the parties hereto.

It is the intent and purpose of the parties hereto to promote and improve the efficient administration of the District and the well-being of employees within the spirit of the Public Employees Collective Bargaining Act, to establish a basic understanding relative to personnel practices and procedures, and to provide means for amicable discussion and adjustment of matters of mutual interest.

Participation of employees in the formulation and implementation of personnel policies affecting them contributes to effective conduct of school business.

Subject to law and the paramount consideration of service to the public, employee-management relations should be improved by providing employees an opportunity for participation in the formulation and implementation of procedures affecting the conditions of their employment.

VEBA TRUST

Snohomish School District #201 (“Employer”) has adopted the health reimbursement arrangement (HRA) plans offered and administered by the Voluntary Employees’ Benefit Association Trust for Public Employees in the State of Washington (“Plan”). The Plan is designed with a variety of coverage options to allow for the maximum benefit by applicable law. Employer agrees to contribute to the Plan on behalf of all employees in the Public School Employees (“Group”) defined as eligible to participate in the Plan, in accordance with Plan and regulatory limitations. The Plan must receive an enrollment file for each eligible employee to become an eligible participant and become eligible for benefits under the Plan.

Contributions on behalf of each eligible employee (or former employee) shall be based on the following selected funding sources/formulas:

- Sick Leave Contributions to VEBA at Retirement or Separation from Service:** Eligibility for contributions at retirement or separation from service is limited to employees who retire or separate from service with sick leave cash-out rights during the term of this Agreement.

NOTE: All leave cash out contributions on behalf of each eligible employee shall be based on the cash-out value of leave days or hours accrued by such employee available for contribution in accordance with statute and District policy or procedure. For sick leave cash-outs, it is understood that all eligible employees will be required to sign and submit to the District a hold harmless agreement complying with RCW 28A.400.210. If an employee eligible for such sick leave contribution fails to sign and submit such agreement to the District, the District will not make sick leave cash-out contributions to the Plan at any time during the term of this agreement, and any and all excess sick leave which, in the absence of this Agreement, would accrue to such employee during the term hereof shall be forfeited together with all cash rights that pertain to such excess sick leave.

Employees whose employment contract exceeds 180 days may accrue sick leave up to their annual contract amount. Such employee groups may consider a higher eligibility threshold for annual sick leave contributions to the VEBA PLAN.

This Memorandum of Understanding shall be effective from September 1, 2023 to August 31, 2024.
