Such materials shall not contain solicitation of goods or services for profit; or anything political or reflect adversely upon the District, any of its employees, or any labor organization amongst its employees. There shall be no other distribution or posting by employees or the Union of pamphlets, advertising, political matters, notices of any kind, or literature on District property, other than herein provided. With the exception of emergencies, when the need for any future subcontracting of current bargaining unit work occurs, the District and Union agree to meet and discuss the needs and any potential impacts that may occur as a result.

ARTICLE VI

UNION-REPRESENTATION

Section 6.1. Labor Management Committee.

The Union will designate a Labor Management Committee of three (3) members who will meet with the Superintendent or designee on a mutually agreeable regular basis to discuss matters of concern to either party. Such discussions will not constitute negotiations nor be subject to the Grievance Procedures. Additional Union representatives may attend Labor Management with mutual agreement.

ARTICLE VII

HOURS OF WORK AND OVERTIME

Section 7.1. Workweek.

Each employee shall be assigned to a definite and regular shift, with designated times of beginning and ending, and workweek, which shall not be changed without prior written notice to the employee of ten (10) calendar days, unless mutually agreed upon to begin the change sooner. This section shall not be construed to apply to minor daily changes in transportation.

Section 7.1.1.

The District workweek shall commence at 12:00 a.m. (midnight) Sunday through 11:59 p.m. Saturday. During summer break, winter break, and spring break and for schools with a four-day schedule, the District may assign employees to a four (4) day, ten (10) hour day workweek.

During such four (4) day by ten (10) hour work schedule, overtime will be based on a forty (40) hour workweek.

Section 7.1.2.

Employees with supervisory approval may shift hours of work to attend staff meetings and in-service programs. Job shift hours shall be reflected in written records maintained by the supervisor and initiated by the employee.

Section 7.2. Breaks.

Employees shall be entitled one (1) fifteen (15) minute rest period for each three and one-half (3-1/2) hours of uninterrupted work. Employees working more than five (5) hours per day shall be entitled to a thirty (30) minute uninterrupted lunch period as near the middle of an employee's regular assignment as is practicable. The minimum assignment for all employees shall be one (1) hour.

Section 7.2.1.

Employees in the Transportation classification shall be entitled to the benefits of Section 7.2. to the same degree as any other employee with the understanding that drivers shall not take breaks during scheduled driving time.

Section 7.3. Working Through Lunch.

Employees required to work through their regular lunch periods will be given time to eat at a time agreed upon by the employee and the supervisor. In the event the District requires an employee to forego a lunch period and the employee works the entire shift, including the lunch period, the employee shall be compensated for the foregone lunch period at appropriate rates.

Section 7.4. Working in Higher Classification.

Anyone working four (4) hours per day in a higher classification, or anyone working a total of ten (10) hours per week in a higher classification, when that work has been assigned by the person's supervisor, shall be paid the higher rate for the time involved.

Section 7.5. School Closure.

In the event of an unusual school closure, the District will attempt to notify each employee to refrain from coming to work through normal emergency procedures, including posting the notice to media outlets and designated agency websites, and communicating to employees through email and/or phone calls. Employees reporting to work shall receive a minimum of two (2) hours pay at their regular hourly rate in the event of such a closure; provided that no employee shall be entitled to any such compensation in the event of media broadcast or actual notification of the closure one (1) hour prior to the employee's report time.

Section 7.5.1.

Employees sent home early due to inclement weather or an emergency building closure will be offered the opportunity to make up lost time as mutually agreed between the employee and immediate supervisor prior to the last student day of school.

Section 7.5.2.

All employees needing to fulfill time, due to school closure, will be provided adequate notification.

Section 7.5.3 Friday Late Start.

Should a late start be required on a Friday, employees who are unable to work due to the timing of the notification shall be permitted to use appropriate leave to cover their absence. Unpaid leave taken under this section shall not negatively impact the employee's seniority date.

The parties agree to discuss the impact of this section at Labor/Management after there has been an occurrence of a late start Friday.

Section 7.6. Overtime.

Overtime at the rate of one and one-half (1-1/2) times the regular rate shall be paid regular employees for any time worked beyond the regular forty (40) hour workweek or regular eight (8) hour day as assigned by the employee's supervisor, except bus drivers and athletic complex employees, who will be regulated on forty (40) hours per week only. "Time worked" includes compensated time except personal leave.

Section 7.6.1. Callbacks.

Any employee who is called back by the supervisor to physically report for work for any reason will receive at least two (2) hours' pay at the regular rate. Any employee who is called back by the supervisor to conduct work remotely will receive at least one (1) hour of pay at the regular rate.

Section 7.6.2. Bus Driver Overtime.

All trips other than regular daily scheduled bus routes shall be compensated at the employee's regular hourly rate for the duration of the trip; provided, however, that bus drivers shall be subject to the provisions relative to overtime hereinafter provided. No driver shall exceed forty-hours (40) per week for regular routes.

Section 7.7. Extra Hours.

Extra hours are defined as work covering individual events scheduled outside regular work hours at a building or site within the District. They are not additional hours assigned to increase an employee's permanent shift or assignment. When extra hours become available during the school year, they shall first be offered on a seniority basis to employees assigned to that building or work site, then to other employees in that job classification district-wide. When extra hours become available during holidays or breaks (i.e. Winter, Mid-Winter, Spring, Summer), they shall be offered district-wide on seniority basis to all employees in that job classification. This section does not apply to Transportation.

Section 7.7.1.

Additional hours are hours permanently added to an employee's assignment.

Section 7.7.2. Method For Assigning Extra Hours.

In September, each employee category shall be placed on a list for extra hours during holidays

or breaks as defined above. If an employee desires to decline being on the list, they will inform their supervisor. In consideration of unforeseen circumstances, the list will be updated in the first week of February and when there is a new hire.

Section 7.7.3.

No custodian can exceed forty (40) hours a week as a result of being assigned extra hours unless it is during a time of year when all custodians are working full time.

Section 7.8. Notice of Resignation

Employees will endeavor, whenever possible, to give ten (10) days written notice of intent to resign or retire.

Section 7.9. Pre & Post Trips.

All bus drivers shall receive pay for bus pre-trip and post-trip time as outlined in the table below. This time allows for completion of all tasks on the pre and post checklist. To work additional time above these pre- and post-trip times, drivers must receive prior approval from the supervisor or designee whenever possible.

	Pre-Trip	Post-Trip
AM Route	Thirteen (13) minutes	Thirteen (13) minutes
PM Routes	Thirteen (13) minutes	Thirteen (13) minutes
Field Trips	Fifteen (15) minutes	Fifteen (15) minutes

Section 7.10. Bus Driver Assignments.

The District will make every reasonable attempt to provide a maximum number of hours to drivers on a seniority basis subject to the conditions of Section 10.7. There will be no guarantee to any driver for eight (8) hour assignments. Drivers who are scheduled to drive a route after the completion of their regular routes shall be compensated for up to thirty (30) minutes of layover time at their regular hourly rate. Employees are expected to perform driver duties, such as calling families or checking email, during paid layover time. The District will work on providing space in buildings for drivers to check email, call parents, etc.

Section 7.10.1. Driver Regular Assignment.

A bus driver's regular assignment is defined as assigned time, including layover time, for assigned routes, shuttles, and transfers.

Section 7.10.2. Driver Extra Work.

Extra work is defined as work that is not part of a driver's regular assignment. Such extra work will be scheduled for a minimum of one (1) hour of paid time.

Section 7.10.3.

Assignments that come open as a result of drivers vacating the assignment, the creation of new additional routes, shuttles, transfers or the implementation of Section 7.10.4., shall be posted for bid for five (5) calendar days and shall be awarded the next business day. Any subsequent route, transfer or shuttle openings that result from the filling of the original route posting shall be posted for bid for three (3) calendar days and shall be awarded the next business day.

Section 7.10.4.

When any route is increased in time by forty-five (45) minutes or more per day, incrementally or not, it shall be considered a new route and put up for bid. When any route is eliminated or reduced in time by forty-five (45) minutes or more per day, incrementally or not, the driver shall have the option of bumping a less senior driver with more time. Each driver displaced by the addition or subtraction of time described above, shall be permitted one additional bid or bump per occurrence. This is in addition to the bids and bumps described in Section 7.10.5.

Section 7.10.5.

After the initial assignment each driver shall be permitted up to three (3) bids and one (1) bump during any school year.

Section 7.10.6. Driver Bumping Rights

Should an employee choose to exercise their right to bump, the new assignment shall not go into effect until the displaced employee has been notified and provided 24 hours to review their subsequent options. The displaced employee's options are to exercise their right to bump, to take the assignment of the employee who exercised their right to bump, or to take any open posted assignment, regardless of seniority and posting duration requirements.

Should an employee choose none of the above options, once displaced and without a regular assignment, the displaced employee is no longer a "regular employee" and is moved into "substitute status".

Section 7.10.7. Displaced Students.

When transporting displaced students, the Transportation Supervisor will temporarily assign such students to the most senior driver that fits the route assignment without placing the driver into overtime status. Due to the initial uncertainty of the attendance of displaced students, the additional time shall not trigger Section 7.10.4. The Union will be notified when displaced students are added to routes. After twenty (20) consecutive school days, a displaced student shall be attached to a driver's route for additional time and benefits, provided they can be removed from the driver's route when the student moves or changes routing assignment. The additional time will be determined from the average actual driving time over the twenty (20) days. Verification, if needed, will be from the Video and Data Management System.

This section does not preclude the District from transporting displaced student by other means to ensure efficient use of District resources.

Section 7.11. Bid Day.

During the last full week prior to the first day of school, drivers will choose their driving assignment by seniority, which may include routes, shuttles and transfers and/or special needs routes. Drivers will be provided at least twenty-four (24) hours between posting and selection of routes for appropriate consideration. The District will make reasonable effort to ensure that route information is complete prior to posting.

Section 7.11.1.

Extra work shall be assigned on a seniority basis of those signing up for the work. The exceptions to this are:

- A. Any extra work that would give a driver in excess of forty (40) hours in one week shall be awarded to the next senior driver who signed for the work and would not exceed forty (40) hours.
- B. Any driver who could gain one (1) hour or more of time by taking the extra work shall be permitted to vacate their regular route one (1) time per calendar week to select the extra work unless they exceed forty (40) hours. Section 7.11.1.B may be waived by the Transportation Supervisor on the basis of driver availability.
- C. A driver who takes unpaid leave shall be ineligible to bid on extra work for ten (10) calendar days, unless the work is a yellow posting. A driver who cancels awarded extra work, except in case of emergency, shall be ineligible for extra work for the next ten (10) calendar days. In the event of any of the foregoing occurs, the trip shall be awarded to the next eligible senior employee.
- D. Except in emergencies, Drivers whose trips are cancelled with less than two (2) hours notice from the Transportation Supervisor or their designee shall be paid the equivalent to the cancelled trip time or two (2) hours, whichever is less. If a driver pre-empted their regular shift in order to take the trip, extra work equivalent to the regular shift, or the anticipated time of the cancelled trip, whichever is less, will be offered at the start time of the cancelled trip. If the driver is able to drive their regular assignment, the trip cancellation provisions are not applicable.
- E. Drivers shall be required to have completed a District provided inclement weather training course prior to being awarded any out of district trip from November 1 – April 1.
- F. Extra work shall close at noon (12:00pm) three business days prior to the start of the trip and will be awarded by noon (12:00pm) at least two business days prior to the start of the trip, unless it is a late or yellow posted trip. It is the employee's responsibility to check the trip board. Field trips awards will be communicated via TripTracker, consistent with current practice.

Section 7.11.2.

When more than one (1) extra trip is leaving on the same day, the senior eligible driver shall have the choice of a trip.

Section 7.11.3.

Any AM/PM, Mid-day, or Activity route that is temporarily vacated with advance notice by its regular driver for more than two (2) weeks due to sick leave or a leave of absence shall be first offered on a seniority basis to any regular driver. The route of the regular driver who elects to fill the temporarily vacated route may be filled by a substitute driver without being first offered to a regular driver, during which time the route will be posted for one (1) full business day, and be awarded the next business day.

Section 7.11.3.1.

No driver may preempt any regular route except as provided for in Section 7.11.3.

Section 7.12. First Time CDL Drivers.

All bus drivers who hold a newly acquired, first time CDL and who have driven less than fifty (50) hours of solo driving in a bus of any size shall be restricted to driving within the District.

Section 7.13.

Any activity or Mid-day route that is vacated with twelve (12) hours of notice shall be offered to senior employees who have indicated their availability and who can drive them without vacating any regular assignment.

Section 7.14. Overnight Trips.

Drivers on an overnight trip shall be compensated as follows:

- A. Trip over one night: all assigned driving time.
- B. Layover day on a trip over two or more consecutive nights: eight (8) hours of pay at their regular rate of pay, or driving time, whichever is greater for the layover day(s).

Section 7.15.

All newly hired bus drivers must have a State of Washington Bus Driver's License with passenger endorsement before transporting children.

Section 7.16. Route Sheets.

When requested by the Supervisor, drivers will be paid at their hourly rate to establish or update their route sheets. Drivers will be paid for actual time required to establish or update said required route sheets.

Section 7.17. Accident/Collision Review Board

The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began continuous employment (hereinafter “start date”) unless such seniority shall be lost as hereinafter provided. In the event two (2) or more employees have the same start date,

seniority order for these employees will be determined by digital random selection administered by the District and observed by a Union representative.

The District will provide the Union with a seniority list no later than December 15 of each year. The seniority list approved by the Union shall be appended to this Agreement no later than January 15.

Section 10.2.1. Seniority Impact of Unpaid Leave.

Employees with more than five (5) days of unpaid leave within the school year will have their seniority date updated to subtract the number of days of unpaid leave from their seniority date to provide an (a) new seniority date, with the possibility of the new date impacting their seniority ranking. A day of unpaid leave will be calculated by taking the total number of hours of unpaid leave within the school year and dividing it by the employee's October 1 average number of hours per week.

Section 10.2.2. Bid Day Seniority List.

Because seniority drives the Bid Day process and having an accurate seniority list is essential to a fair Bid Day, the District will provide the Union an updated transportation seniority list by the first workday in August of each year. The District and Union will agree on the final transportation seniority list by one week from the date of the draft list. This seniority list will be updated to reflect the names and seniority rankings of all current transportation employees, as well as corrections in the seniority dates of employees with unpaid leave.

Section 10.7. Shift Selection, Vacation Periods, Transfers, Reassignment.

Reassignment to new or open jobs or positions, promotions, additional hours at the work sites, and layoffs will be based on (1) seniority, (2) ability, and (3) performance; provided that seniority shall control when ability and performance are substantially equal. If the District determines that seniority rights should not govern because a junior employee possesses ability, performance and desire substantially greater than a senior employee or employees, the District, upon request, shall set forth in writing to the employee or employees its reasons why the senior employee or employees have been bypassed.

Section 10.7.1.

The District will apply Section 10.7 to job applicants who are not members of the bargaining unit.

Section 10.7.2. District Initiated Paraeducator Transfer

An involuntary transfer shall be defined as change of assignment initiated by the administration within the same paraeducator level. Should there be no volunteers, then the involuntary transfer would be conducted in that building by reverse seniority order based on the employees' specific position (i.e.: Para 2). Prior to the effective date of the transfer, the employee will be given time to meet with the supervisor at the new building.

Section 10.7.3. Change in Paraeducator Levels.

Paraeducator seniority is based on total time in the District as a Paraeducator as described in Section 10.2. Due to the fluctuation of enrollment within Special Education, ELL, LAP, and Title Programs, it is acknowledged that Paraeducators may be required to move from one level to another by their supervisor at various times throughout the year. Provided, that before moving to a lesser paid level, the employee being displaced may opt to "bump" the entire assignment of a less senior employee at their current level who has equal or less hours. Subsequently, they may bump the entire assignment of a less senior employee at a lower level with equal or less hours in order to maintain employment. Bumps may necessitate a change in an employee's work location.

Section 10.8. Open Position.

The District shall publicize within the bargaining unit for five (5) business days the availability of open positions as soon as possible after the District is apprised of the opening. Vacancies resulting from previous postings shall be posted for three (3) workdays. A copy of the job posting shall be forwarded to the Union President.

Section 10.8.1.

For Food Services and Instructional Services positions, up to two (2) hours per day may be added to an employee's assignment, provided that it is offered in seniority order to employees in the general job classification at that job site who are available during the required hours. The additional hours will not result in overtime. Should no employee accept the offered hours, the hours will be posted per Section 10.8.

Section 10.8.2.

Open Food Service positions may be filled by a current Food Service employee provided the position was advertised to all Food Service employees for at least three (3) business days. This change is only limited to in-district vacancies and all external postings would continue to follow the process outlined in Section 10.8.

Section 10.9. Layoffs.

In the event of layoff, employees so affected are to be placed on a reemployment list maintained by the District according to layoff ranking. Such persons on layoff shall be offered reemployment for any open or vacant position for which the person has seniority and is qualified and for which no senior employee has applied. Names shall remain on the reemployment list for two (2) years.

Section 10.9.1.

Should the District decide to layoff or reduce hours of any non-annual employee, the employee shall be so notified in writing prior to the expiration of the school year, if the layoff or reduction in hours is known. Otherwise, at least two (2) weeks notice shall be given.

Section 10.9.2.

Affected employees placed on the reemployment list will be called on a rotation basis to substitute in any position for which they are qualified.

Section 10.9.3.

Employees on layoff status shall file their addresses in writing with Human Resources and shall thereafter promptly advise the District in writing of any change of address.

Section 10.9.4.

An employee shall forfeit rights to reemployment as provided in Section 10.9 if the employee does not comply with the requirements of Section 10.9.3, or if the employee does not respond to the offer of reemployment within fifteen (15) business days.

Section 10.9.5.

An employee on layoff status who rejects an offer of reemployment forfeits seniority and all other accrued benefits; provided, that such employee is offered a position substantially equal to that held prior to layoff.

Section 11.2. Reasonable Notice.

The Employer shall endeavor, whenever possible, to give ten (10) days advance written notice of suspension or discharge and shall clearly state the reasons therefore. Once the grievance is brought to the appropriate supervisor/administrator, the District will have

(5) workdays to issue a response to the alleged grievance.

Section 14.2.2. Step Two.

The employee shall submit the written statement of grievance to the immediate supervisor for reconsideration and shall submit a copy to the official in the Administration responsible for personnel. The parties will have five (5) workdays days from submission of a written statement of grievance to resolve it by indicating on the statement of grievance the disposition. If an agreeable disposition is made, all parties to the grievance shall sign it.

Section 14.2.3. Step 3.

Regarding Driver Shortage**

The Snoqualmie Valley School District (District) and the Snoqualmie Valley PSE (Union) enter into the following:

Out-of-District Driving Assignments

When there is a shortage of drivers to cover in-district/out-of-district driving assignments, the District, at its option, may elect to transport students using a third-party provider. District drivers will be used to cover in-district assignments before being used for out-of-district assignments. If a driver bids for an out-of-district assignment, the District may assign that driver to perform in-district am/pm routes with alternate in-district hours clearly stated at the time of the bid/posting. Drivers who are awarded this assignment would perform in-district am/pm routes as their regular assignment (at the alternate hours) until the out-of-district work is reinstated by the District. Regular drivers cannot exercise seniority bypass or other claims on any portion(s) of the assigned in-district work of these assignments. However, provisions of Section 7.10.5 would still apply.

Subsequent to bid day, unfilled out-of-district assignments may be reposted at the discretion of the District, and only drivers who did not previously have a chance to bid on the assignment will be eligible to bid.

Motor Pool Vehicles

When the District assigns an employee to transport no more than three (3) students in a motor pool vehicle, that employee will be paid 75% of the current Step I rate for Bus Drivers. Such assignment does not require a CDL. Driver trainees may drive up to eight (8) students in a motor pool vehicle and will be paid the training wage. Such assignment does not require a CDL.

Driver Shortage

District motor pool vehicles may be used to transport a total of eighteen (18) or fewer students to a District authorized event or activity. Motor Pool vehicles will be driven by individuals other than District bus drivers, consistent with District procedures.

This Memorandum of Agreement shall become effective upon signature of both parties; shall remain in effect through the lifetime of the agreement, until superseded by another MoA, or the parties mutually agree there is no longer a driver shortage, whichever comes first; and shall be attached to the Collective Bargaining Agreement.
